WALTHAM WATCHES.

Let every one who wants a Watch, read this carefully. Especially if in some remote out-of-the-way place.

Now that the railroad is open, we propose to give the residents of Oregon an opportunity of getting single genuine Waltham Watches at the

Lowest New York Wholesale Prices.

We sell more Waltham Watches than any other establishment in the country, either wholesale or retail; we send great numbers to every section of the country by Mail and Express, carefully packed, and in perfect running order. Our plan is this: You want a Watch, and our advertisement; now, we want you first to write to us for our Descriptive and Illustrated Price List; we will send it, post paid, by return mail. It explains all the different kinds, tells the weight and quality of the cases, with prices of each; you then make a selection of the kind you prefer, and send us your order. We will then send you the Watch by Express, with the bill to collect on delivery. We give instructions to the Express Company to allow you to open the package and examine the Watch; if it suits you, you can pay, and take it; if not, you are under no obligation to receive it; and if it is taken and returned, it does not prove satisfactory, we will exchange it, or

REFUND THE MONEY.

As an indication of the price, we will quote our Watch from our list. The P.S. BARTLETT, Lever Movement, with Extra Jewels, Chromometer Balance, Patent Pinion, Patent Dust Cap, and all the other self-improvements, in a Solid Case Silver Case,

\$25 in Greenbacks, or about \$20 in Coin. All the other kinds, both in 14 and 16, in the same proportion. Do not order a Watch till you have sent for a Price List, it contains a great deal of information regarding these Watches that will enable you to make an intelligent selection. Don't forget when you write, to state that you saw this advertisement in the Oregon Sentinel, and you need not put in stamp for return postage. Address in full,
