This Valuable Family Medicine has been widely and favorably known in our own and foreign countries, upwards of

THIRTY YEARS!

It has lost none of its good name by repeated trials, but continues to occupy a prominent position in every family medicine chest.

It is an External and Internal Remedy. For Summer Complaint, or any other form of bowel disease in children or adults, it is almost a certain cure, and has, without doubt, been more successful in curing the various kind of CHOLERA, than any other known remedy, or the most skillful physician.

Sold by all Druggists. In India, Africa, and China, where the dreadful disease is more or less prevalent, the Pain Killer is considered by the natives, as well as European residents in those climates, a sure remedy; and while it is a most efficient remedy for pain, it is a perfectly safe medicine, even in unskillful hands.

Directions accompany each bottle.

Price 25 cts., 50 cts., and \$1 per bottle. Inaugm

A Household Elixir adapted to all Climates.

It would be a happy thing for the world if all the excitants at present used in the practice of medicine, could be swept out of existence, and HOSTETTER'S STOMACH BITTERS substituted in their place.

In California, it seems possible that this desirable substitution may one day be accomplished.

Certain it is that the GREAT VEGETABLE TONIC is gradually displacing them, and that the confidence of the people in its sanitary and saving properties, increases with every passing year.

"Figures that cannot lie," show this to be a fact. No medicinal preparation enjoys the like popularity among all classes and conditions, in every section of the State.

As an appetizer, a general invigorant, a remedy for indigestion, a cure for intermittent and remittent fevers, a gentle cathartic, a specific for flatulency and sour stomach, a gentle diuretic, a nerve, a blood purifier, a specific for sick headache, a mild anodyne, and, above all, a PROTECTION AGAINST EPIDEMICS, it is unquestionably the STANDARD MEDICINE of the whole Pacific territory.

In the towns and cities it is literally a HOUSEHOLD STAPLE. Mothers believe in it. They find it a "present help in time of trouble,"—a safe and pleasant remedy for the various ailments to which their sex is exclusively subject.

Men believe in it, because it refreshes and invigorates the body and the mind, and tones both without exciting either.

NEVER FAILS TO CURE!

Cowan & Flint's GREAT AGUE KING.

A PURELY VEGETABLE REMEDY!

contains No Quinine, Mercury or Arsenic.

THE ASTONISHING CURES daily performed by this preparation cause considerable comment by the Medical Faculty as they positively assert that

CHILLS and FEVER, FEVER and AGUE, INTERMITTENT and REMITTENT FEVERS,

Cannot be cured without the use of Quinine. Nevertheless, the old Poison is laid upon the shelf, and we would recommend in confidence to those who have tried and found but temporary relief from the use of the many quinine mixtures; to

TRY THE AGUE KING! No Ringing in the Head! No Stiff Limbs! No Deafness!

Or any of the distressing effects caused by the use of Quinine mixtures, daily recommended.

IT HAS BECOME A FIXED FACT, that no remedy has yet been discovered which allays Fever and gives tone and strength to the stomach, and that important gland, the Liver, like the AGUE KING. It is nature's own remedy, being composed of vegetable matter and skillfully prepared. It seeks the root of the disease, and with its magic influence performs a cure.

The Wonder of Wonders! THE GREAT AGUE KING!

I wonder it wonders are never to cease. At present all wonders are on the increase; Of the latest I now will give you a hint. Look at the AGUE KING of Cowan & Flint.

No Quinine, no Mercury, nor Arsenic we find Were ever compounded or with it combined; This wonder, the Doctors were mentally sure, Could never be done and make a good cure.

We confess it astounds us, and wonderfully, too. To see what the AGUE KING daily does do; If you've Fever, or AGUE, or any like thing, Go promptly and purchase the great AGUE KING.

I'd shaken so long, till every kind friend Consolingly told me to fix my end; Oh! life was so sweet, I wished not to die, Therefore the AGUE KING, I hastened to try.

One bottle is all—I took as directed, And wondrous to tell, my cure was effected. From the grave I was snatched, and I'm singing, Honored and blessed be the great AGUE KING.

Now shakers, we tell you, go buy it and try it, It quickly will make your shaking quiet; For pills of Quinine, and every such thing, Must speedily yield to the great AGUE KING.
