FRENCH MEDICAL OFFICE.

DR. JULIAN PEREAULT, Doctor of Medicine of the Faculty of Paris, Graduate of the University of Queen's College, and Physician of the St. John Baptiste Society of San Francisco.

Dr. PEREAULT has the pleasure to inform patients and others seeking confidential medical advice, that he can be consulted daily at his office, Armory Hall Building, North East corner Montgomery and Sacramento streets, San Francisco. Rooms No. 9, 10, 11, first floor, on stairs, entrance on either Montgomery or Sacramento streets.

Dr. PEREAULT's studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, germ of which is planted in early life, and the bitter fruit tasted long afterwards; patients, laboring under this complaint, will complain of one or more of the following symptoms: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urinary organs, going to stool or making water, the Intellectual Faculties are weakened, Loss of Memory ensues. Ideas are clouded, and there is a disinclination to attend to business, or even to reading, writing, or society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that the sight and hearing are weakened, and sleep disturbed by dreams, melancholy, sighing, palpitations, faintings, coughs, and slow fever; while some have external rheumatic pains, and numbness of the body. Some of the most common symptoms are pimples in the face, and itching in different parts of the body. Patients suffering from this disease should apply immediately to Dr. PEREAULT, either in person or by letter, and he will guarantee a cure of Seminal Emissions and Impotence in six to eight weeks.

Patients suffering from venereal disease in any stage, Gonorrhea, Gleet, Strictures, Bubo Ulcers, Cutaneous Eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

Dr. PEREAULT's diploma are in his office, where patients can see for themselves that they are under the care of a regular educated practitioner. The best reference given if required. Patients suffering under chronic disease can examine for themselves. We invite you; claim not to know everything, but we do claim that in taken under treatment we fulfill our duty. We particularly request those who had this boasted doctor, and that physician, till worn out and discouraged, upon us.

Low Charges and Quick Cures.

Medicines suffering from any complaint ical to their sex, can consult the doctor with assurance of relief.

Female Monthly Pills.

PEREAULT is the only agent in California for the Female Monthly Pills. Their sale has established their reputation as a remedy, unapproached, and far in advance of any other remedy for suppressions and obstructions, and other obstructions in females. A box of five dollars these Pills will be sent by mail or express to any part of the world, or persons at a distance can be cured at home, addressing a letter to Dr. PEREAULT, corner Sacramento and Montgomery streets, Rooms 9, 10, 11, or Box 973, P. O., San Francisco, stating the case minutely as possible, general habits of living, occupation, etc., etc.

Ayer's

Hair Vigor,

For restoring Gray Hair to

its natural Vitality and Color.

A dressing which

is at once agreeable,

healthy, and effectual

for preserving the

hair. Faded or gray

hair is soon restored

to its original color

with the gloss and

freshness of youth.

This hair is thick-

ened, falling hair checked, and bald-

ness often, though not always, cured

by its use. Nothing can restore the

hair where the follicles are destroyed,

or the glands atrophied and decayed.

But such as remain can be saved for

usefulness by this application. Instead

of fouling the hair with a pasty sedi-

ment, it will keep it clean and vigorous.

Its occasional use will prevent the hair

from turning gray or falling off, and

consequently prevent baldness. Free

from those deleterious substances which

make some preparations dangerous and

injurious to the hair, the Vigor can

only benefit but not harm it. If wanted

merely for a

HAIR DRESSING,

nothing else can be found so desirable.

Containing neither oil nor dye, it does

not soil white cambric, and yet lasts

long on the hair, giving it a rich glossy

lustre and a grateful perfume.
