FRENCH MEDICAL OFFICE,

Dr. JULIAN PERREAU, Doctor of Medicine of the Faculty of Paris. Graduate of the University Queen's College, and Physician of the St. John Baptist Society of San Francisco.

Dr. PERREAU has the pleasure to inform patients and others seeking confidential medical advice, that he can be consulted daily at his office, Army Hall Building, North East corner Montgomery and Sacramento streets, San Francisco, Rooms No. 9, 10, 11, first door, up stairs, entrance on either Montgomery or Sacramento streets.

Dr. PERREAU's studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently fix upon all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, temporary single life, etc., have their source in cases, even which manifested in early life, and the latter fruit lasted long afterwards; patients, laboring under this complaint, will complain of one or more of the following symptoms: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urethra on going to stool or making water, the Intellectual Faculties are weakened, Loss of Memory ensues, Ideas are clouded, and there is a disinclination to attend to business, or even to reading, writing, or society of friends, etc.

The patient will probably complain of Digestion, Vertigo, and that the sight and hearing are weakened, and sleep disturbed by dreams, Melancholy, sighing, palpitations, fainting, coughs and slow fever; while some have external rheumatic pains, and numbness of the body. Some of the most common symptoms are pimples in the face, and itching in different parts of the body. Patients suffering from this disease should apply immediately to Dr. PERREAU, either in person or by letter, and he will guarantee a cure of Scrophulous Eruptions, and Impotence in six to eight weeks.

Patients suffering from venereal disease in any stage, Gonorrhoea, Gleet, Strictures, Babo Ulcers, Catarrhus Eruptionis, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

Dr. PERREAU's diploma are in his office, where patients can see for themselves that they are under the care of a regular educated practitioner. The best reference given if required.

Patients suffering under chronic disease can call and examine for themselves. We invite investigation; claim not to know every thing nor to cure every body, but we do claim that in all cases taken under treatment we fulfill our promises. We particularly request those who have tried the boasted doctors, and that advertised physician, till worn out and discouraged, to call upon us.

Ladies suffering from any complaint incidental to their sex, can consult the doctor with the assurance of relief.

Female Monthly Pills. Dr. PERREAU is the only agent in California for Dr. Boy's Female Monthly Pills. Their immense sale has established their reputation as a female remedy, unapproached, and far in advance of any other remedy for suppressions and irregularities, and other obstructions in females. On receipt of five dollars these Pills will be sent by mail or express to any part of the world secure from curiosity or damage.

Persons at a distance can be cured at home, by addressing a letter to Dr. PERREAU, corner of Sacramento and Montgomery streets, Rooms 10 and 11, Box 973, P. O., San Francisco, stating the case minutely as possible, general habits of living, occupation, etc., etc. June 4, 1870—1y

ADDRESS Nervous and Debilitated WHOSE SUFFERINGS HAVE BEEN Protracted from Hidden Causes, AND WHOSE CASES REQUIRE PROMPT TREATMENT to render Existence Desirable.

If you are suffering, or have suffered, from involuntary discharges, what effect does it produce upon your general health? Do you feel weak, debilitated, easily tired? Does a little extra exertion produce palpitation of the heart? Does your liver, or urinary organs, or your kidneys frequently get out of order? Is your urine sometimes thick, milky or floccy, or is itropy on setting? Or does a thick scum rise to the top? Or is a sediment at the bottom after it has stood awhile? Do you have spells of short breathing or dyspnea? Are your bowels constipated? Do you have spells of fainting, or rushes of the blood to the head? Is your memory impaired? Is your mind constantly dwelling on this subject? Do you wish to be left alone, to get away from everybody? Is your little thing make you start or jump? Is your sleep broken or restless? Is the lustre of your eye as brilliant? The bloom on your cheek as bright? Do you enjoy yourself in society as well? Do you pursue your business with the same energy? Do you feel as much confidence in yourself? Are your spirits dull and flagging, given to fits of melancholy? If so do not lay it to your liver or dyspepsia. Have you restless nights? Your back weak, your knees weak, and have you but little appetite, and you attribute this to dyspepsia, or liver complaint?

Now, Reader, MAKE THE MAN.

Did You Ever Think that those bold, defiant, energetic, persevering, successful business men, are always those whose generative organs are always in perfect health?

You never hear such men complain of being melancholy, or nervous, or palpitation of the heart. They are never afraid they cannot succeed in business; they don't become sad and discouraged; they are always polite and pleasant in the company of ladies, and look you and them right in the face, none of your downcast looks or other meanness about them. I do not mean those who keep the organs inflated by running to excess. These will not only

RUIN THEIR CONSTITUTIONS but also those they do business with or for.

How many men, from badly cured diseases, have brought about that state of weakness in those organs that has reduced the general system so much as to induce almost every other disease.

If no treatment is submitted to, Consumption or Insanity may ensue. Our flesh and blood are supported from these sources, and the health and happiness, and that of posterity depends upon prompt use of a reliable remedy.
