A GREAT MEDICAL DISCOVERY

Dr. WALKER'S CALIFORNIA VINEGAR BITTERS

Hundreds of Thousands Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE FANCY DRINK,

Made of Pure Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and a LIFE GIVING PRINCIPLE a perfect Restorative and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

\$100 will be given for an incurable case, provided the bones are not destroyed by mineral poisons or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidney, Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Combs, Tightness of Chest, Distension, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys and a hundred other painful symptoms, are the offspring of Dyspepsia.

The Invigorator of the Stomach and stimulates the torpid liver and bowels, which render them of service in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pusules, Boils, Carbuncles, Itch, Scours, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are liberally dispensed up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or sores, and when you find it obstructed and sluggish in the veins, cleanse it by these Bitters, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.

ADDRESS TO THE CHEAP FOR

Nervous and Debilitated WHOSE SUFFERINGS RATE BEEN Protracted from Hidden Causes, AND WHOSE CASES REQUIRE PROMPT TREATMENT to render Existence Desirable.

If you are suffering or have suffered, from involuntary discharges, what effect does it produce upon your general health? Do you feel weak, debilitated, easily tired? Does a little extra exertion produce palpitation of the heart? Does your liver, or urinary organs, or your kidneys frequently get out of order? Is your urine sometimes thick, milky or sticky, or is itropy on settling? Or does a thick scum rise to the top? Or is a sediment at the bottom after it has stood awhile? Do you have spells of short breathing or dyspnoea? Are your bowels constipated? Do you have spells of fainting, or rushes of the blood to the head? Is your memory impaired? Is your mind constantly dwelling on this subject? Do you wish to be left alone, to get away from everybody? Does any little thing make you start or jump? Is your sleep broken or restless? Is the lustre of your eye as brilliant? The bloom on your cheek as bright? Do you enjoy yourself in society as well? Do you pursue your business with the same energy? Do you feel as much confidence in yourself? Are your spirits dull and flagging, given to fits of melancholy? If so do not lay it to your liver or dyspepsia. Have you restless nights? Your back weak, your knees weak, and have you but little appetite, and you attribute this to dyspepsia, or liver complaint?

Now, Reader, self-abuse, venereal diseases badly cured, and sexual excesses are all capable of producing a weakness of the generative organs. The organs of generation when in perfect health MAKE THE MAN.

Did You Ever Think that those bold, defiant, energetic, persevering, successful business men, are always those whose generative organs are always in perfect health?

You never hear such men complain of being melancholly, of nervousness, or palpitation of the heart. They are never afraid they cannot succeed in business; they don't become sad and discouraged; they are always polite and pleasant in the company of ladies, and look you and them right in the face, none of your downcast looks or other meanness about them. I do not mean those who keep the organs inflamed by running to excess. These will not only

RUIN THEIR CONSTITUTIONS but also those they do business with or for.

How many men, from badly cured diseases, from the effects of self-abuse and excesses, have brought about that state of weakness in those organs that has reduced the general system so much as to induce almost every other disease—

IDIOCY, LUNACY, PARALYSIS,

spinal affections, suicide, and almost every other form of disease which humanity is heir to, and the real cause of the trouble scarcely ever suspected, and have doctored for all but the right one.

Diseases of these organs require the use of a Diuretic.

HELMBOLD'S FLUID EXTRACT

is the general Diuretic, and is a certain cure for diseases of the Bladder, Kidneys, Gravel, Dropsy, Organic Weakness, Female Complaints, General Debility, and all diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing.

If no treatment is submitted to, Consumption or Insanity may ensue. Our flesh and blood are supported from these sources, and the health and happiness, and that of posterity depends upon prompt use of a reliable remedy.
