OUR DRUG BUSINESS located in San Francisco, Cal. We are the oldest Drug firm on the Pacific Coast and the only one continuous under the same proprietor since 1849, and have determined to sell our large, prosperous and established business on favorable terms.

This is a rare opportunity for men with means of entering into a profitable business with advantages never before offered.

A GREAT MEDICAL DISCOVERY DR. WALKER'S CALIFORNIA VINEGAR BITTERS

Hundreds of Thousands Bear Testimony to its Wonderful Curative Effects. WHAT ARE THEY?

They are a Gentle Purgative with a Tonic, possess a Powerful Stimulating and Tonic Effect, and are the only Bitters that have no equal. They are NOT A VILE FANCY DRINK.

Made of Pure Rum, Whiskey, Proof Spirit and Refine Liqueur, colored, spiced and sweetened to please the taste, called "Tonic," "Appetizer," "Restorer," &c., that lead the upler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE a perfect Restorer and Invigorator of the system, carrying off all poisonous matter and restoring the blood to a healthy condition.

It cures the most obstinate cases of Biliousness, and remains long and well.

\$100 will be given for an incurable case, provided the bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism, and Great Dyspepsia or Indigestion, Biliousness, Remittent and Intermittent Fevers, Diarrhoea of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Violated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulder, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys and a hundred other painful symptoms, are the offspring of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Itch, Scabies, Pimples, Pusules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Eruptions, Itch, Scour, Discolorations of the Skin, Ruptures and Diseases of the skin, of whatever nature or origin, are literally dug up and carried off the system in a short time by the use of these Bitters. One bottle in each case will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores clean it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your system will be free. Keep the blood pure, and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions read carefully the circular which each bottle, printed in four languages—English, German, French and Spanish.

FRENCH MEDICAL OFFICE.

Dr. JEREMIAH PERRELLY, Doctor of Medicine of the Faculty of Paris, Graduate of the University Queen's College, and Physician of the St. John Baptist Society of San Francisco.

Dr. PERRELLY has the pleasure to inform medical practitioners and others seeking confidential medical advice, that he can be consulted daily at his office, 470 Broadway, North East corner Montgomery and Sacramento streets, San Francisco, Room No. 9, 10, 11, first floor, up stairs, entrance on either Montgomery or Sacramento streets.

Dr. PERRELLY'S studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age.

Where a secret infirmity exists involving the happiness of life, and the necessity of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, germ of which is planted in early life, and the bitter fruit tasted long afterwards; patients, laboring under this complaint, will complain of one or more of the following symptoms: Neurasthenia, Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urethra on going to stool or making water, the Intellectual Faculties are weakened, Loss of Memory, Ideas are clouded, and there is a disinclination to attend to business, or even to reading, writing, or society of friends, etc.

Patients suffering from venereal disease in any stage, Gonorrhoea, Gleet, Stricatures, Bubo Ulcers, Cutaneous Eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints actively removed from the system.

Dr. PERRELLY'S diploma are in his office, where patients can see for themselves that they are under the care of a regular educated practitioner. The best reference given if required.

Patients suffering under chronic disease can call and examine for themselves. We invite investigation; claim not to know everything, but to cure everybody, but we do claim that in all cases taken under treatment we fulfill our promise. We particularly request those who have tried the boasted doctor, and that advertised physician, till worn out and discouraged, to call upon us.

Low Charges and Quick Cures. Ladies suffering from any complaint incidental to their sex, can consult the doctor with the assurance of relief.

Female Monthly Pills. DR. PERRELLY is the only agent in California for Dr. BOY'S Female Monthly Pills. Their immense sale has established their reputation as a female remedy, unapproached, and far in advance of any other remedy for suppression and irregularities, and other obstructions in females. On receipt of five dollars these Pills will be sent by mail or express to any part of the world secure from curiosity or damage.

Persons at a distance can be cured at home, by addressing a letter to Dr. PERRELLY, corner of Sacramento and Montgomery streets, Rooms 10 and 11, or Box 973, P. O., San Francisco, stating the case minutely as possible, general habits of living, occupation, etc., etc. June 4, 1870.—1y

COUGHS, HOARSENESS, INFLUENZA. Sore Throat, Croup, Whooping Cough, Croup, Liver Complaint, Bronchitis, Asthma, Hoarseness of Lungs, and every affection of the Throat, Lungs and Chest, are speedily and permanently cured by the use of this.

Dr. Walker's Balsam of Wild Cherry. This well known preparation does not dry up a cough and leave the throat hoarse, as is the case with most medicines, but it loosens and cleanses the lungs and allays irritation, thus removing the cause of the complaint.

CONSUMPTION CAN BE CURED. A timely resort to this standard remedy, as is proved by hundreds of testimonials received by the proprietors. Some genuine testimonials signed L. BERRY, Esq. W. W. FOSTER, Esq. W. W. FOSTER, Esq. Sold by Druggists, Grocers, and Dealers in San Francisco, and by dealers generally. 1 June 1871

ADDRESS

Nervous and Debilitated WHOSE SUFFERINGS

Protracted from Hidden Causes, AND WHOSE CASES REQUIRE PROMPT TREATMENT to render Existence Desirable.

If you are suffering or have suffered, from involuntary discharges, what effect does it produce upon your general health? Do you feel weak, debilitated, easily tired? Does a little extra exertion produce palpitation of the heart? Do your liver, or urinary organs, or your kidneys frequently get out of order? Is your urine sometimes thick, milky or floccy, or is itropy on settling? Or does a thick scum rise to the top? Or is a sediment at the bottom after it has stood awhile? Do you have spells of short breathing or dyspepsia? Are your bowels constipated? Do you have spells of fainting or rushes of the blood to the head? Is your memory impaired? Is your mind constantly dwelling on this subject? Do you wish to be left alone, to get away from everybody? Does any little thing make you start or jump? Is your sleep broken or restless? Is the lustre of your eye as brilliant? The bloom on your cheek as bright? Do you enjoy yourself in society as well? Do you pursue your business with the same energy? Do you feel as much confidence in yourself? Are your spirits dull and sagging, given to fits of melancholy? If so do not lay it to your liver or dyspepsia. Have you restless nights? Your back weak, your knees weak, and have you but little appetite, and you attribute this to dyspepsia, or liver complaint?

self-abuse, venereal diseases badly cured, and sexual excesses are all capable of producing a weakness of the generative organs. The organs of generation when in perfect health MAKE THE MAN.

Did You Ever Think that those bold, defiant, energetic, persevering, successful business men, are always those whose generative organs are always in perfect health?

You never hear such men complain of being melancholy, or nervous, or palpitation of the heart. They are never afraid they cannot succeed in business; they are not discouraged; they are always polite and pleasant in the company of ladies, and look you and them right in the face, none of your downcast looks or other meanness about them. I do not mean those who keep the organs inflamed by running to excess. These will not only

RUIN THEIR CONSTITUTIONS but also those they do business with or for.

How many men, from badly cured diseases, from the effects of self-abuse and excesses, have brought about that state of weakness in those organs that has reduced the general system so much as to induce almost every other disease.

IDIOCY, LUNACY, PARALYSIS,

spinal affections, suicide, and almost every other form of disease which humanity is heir to, and the real cause of the trouble scarcely ever suspected, and have doctored for all but the right one.

Diseases of these organs require the use of a Diuretic.
