THE WHITE PRINCE!

THE IMPORTED

Percheron or Norman Horse,

WILL BE KEPT THE COMING SEASON, commencing February 1st, 1871.

At my farm, near Ashland, on the Stage road, until April 1st;

From April 1st till July 1st, Tuesdays and Wednesdays at the delivery stable of Reames & Wilson, Jacksonville, Fridays and Saturdays at my farm.

THE WHITE PRINCE

was imported from France by the **Derby Plains Importing Co.,** of Union County, Ohio, in last July.

I purchased him in November last, and shipped him with one full blood and two three-quarter blood Percheron mares by rail to Chicago, Cal.

He is a light dapple gray, 5 years old this coming Spring; weighed when shipped in Ohio 1,580 pounds; will weigh, at maturity, in good condition, 1,800 pounds; has large, broad, flat limbs, good disposition, pleasant countenance, fine style, good action, has never been bred to any extent.

While in the East hunting for good horses to bring to this Coast, I saw 19 imported Percheron horses, and I am satisfied that the

WHITE PRINCE,

for form, size, style and action, surpasses them all. In making this selection I was assisted by Mr. James Fullington, ex-President of the Ohio State Agricultural Society, said to be as good a judge of this stock as any one in the United States. He was one of the first importers, and is familiar with their endurance in France and with their breeding qualities in Ohio.

To those who have read the American Agriculturist and other agricultural papers the world-wide reputation of the Percheron is well known, and to them I would say here that well informed breeders who were well acquainted with this stock said that the **WHITE PRINCE** was as promising a young horse as they ever had imported.

To those who are not posted as to their history the French writers say they have been kept as a distinct breed for more than a century, and undoubtedly trace to the Arabian, and have had several infusions of pure Arabian blood in the last century.

He has not such a fine skin as the Arab nor his prettily moulded oval and small foot, but we must remember the fact that he lives under a cold climate, upon elevated plains, where nature gives him for a covering a thicker skin and a warmer coat, and that he has been for ages stepping upon moist clayey soil.

Terms, \$35 U. S. Coin, the Season.

Good pasture with good strong fence near here at 50 cents per week.

Every body is invited to come and see my stock and judge for himself.

W. C. MYER.

FRENCH MEDICAL OFFICE.

DR. JULIAN PENNAULT. Doctor of Medicine of the Faculty of Paris. Graduate of the University Queen's College, and Physician of the St. John Baptist Society of San Francisco.

Dr. PENNAULT has the pleasure to inform patients and others seeking confidential medical advice, that he can be consulted daily at his office, Armory Hall Building, North East corner Montgomery and Sacramento streets, San Francisco. Rooms No. 9, 10, 11, first floor, upstairs, entrance on either Montgomery or Sacramento streets.

Dr. PENNAULT's studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal. For it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, germ of which is planted in early life, and the bitter-fruit tasted long afterwards; patients, laboring under this complaint, will complain of one or more of the following symptoms. Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urethra on going to stool or making water, the Intellectual Faculties are weakened, Loss of Memory ensues. Ideas are clouded, and there is a disinclination to attend to business, or even to reading, writing, or society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that the sight and hearing are weakened, and sleep disturbed by dreams. Melancholy, sighing, palpitations, faintings, coughs and slow fever; while some have external rheumatic pains, and numbness of the body. Some of the most common symptoms are pimples in the face, and itching in different parts of the body. Patients suffering from this disease should apply immediately to Dr. PENNAULT, either in person or by letter, and he will guarantee a cure of Seminal Emissions and Impotence in six to eight weeks.

Patients suffering from venereal disease in any stage, Gonorrhoea, Gleet, Stricture, Bubo Ulcers, Catarrhes Eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system. Dr. PENNAULT's diploma are in his office, where patients can see for themselves that they are under the care of a regular educated practitioner. The best reference given if required.

Patients suffering under chronic disease can call and examine for themselves. We invite investigation; claim not to know everything, but to cure everybody, but we do claim that in all cases taken under treatment we fulfill our promises. We particularly request those who have tried this boasted doctor, and that advertised physician, still worn out and discouraged, to call upon us.

Low Charges and Quick Cures.

Ladies suffering from any complaint incidental to their sex, can consult the doctor with the assurance of relief.

Female Monthly Pills.

Dr. PENNAULT is the only agent in California for Dr. Bior's Female Monthly Pills. Their immense sale has established their reputation as a female remedy, unapproached, and far in advance of any other remedy for suppressions and irregularities, and other obstructions in females. On receipt of five dollars these Pills will be sent by mail or express to any part of the world secure from curiosity or damage.

Persons at a distance can be cured at home, by addressing a letter to Dr. PENNAULT, corner of Sacramento and Montgomery streets, Rooms 10 and 11, or Box 973, P. O., San Francisco, stating the case minutely as possible, general habits of living, occupation, etc., etc.
