NOTICE.—I want a good young lawyer to edit the SENTINEL.

B. F. DOWELL.

NEW COMERS.—Since the opening of Spring many strangers have come among us, many accompanied by their families.

SHOOTING AFFRAY.—A telegram, dated Roseburg, June 11, says, "There was a most desperate affray, this morning, about 10 o'clock, between Thomas and Henry Gale, editors of the Ensign, and Wm. Thompson, editor of the Plaindealer."

RAIN STORM.—Our valley was visited, last Monday, by a rain storm; it rained pretty steadily, all day, a rather unusual thing to do for our climate, at this season of the year.

AN AGREEABLE SURPRISE.—The printers of this office, in coming into the office yesterday morning, were agreeably surprised to find a keg of fresh lager, already tapped.

APPOINTMENTS.—The Committee on Oration, &c., Fourth of July Celebration, have made the following appointments: Chaplin, Rev. B. R. Johnson; Orator, Rev. I. D. Driver; Reader, E. B. Watson; Grand Marshal, E. D. Foudray; Assistant Marshals, C. W. Savage and James McDaniel.

NEW LAW FIRM.—In another column will be found the card of Kahler & Watson, Attorneys-at-Law.

SETTLE UP.—To whom it may concern, read advertisement of Miller & Shannon in another column of to-day's paper.

ELECTION OF OFFICERS.—The regular election of officers for the next term, Jacksonville Lodge, No. 10, I. O. O. F., will take place on next Saturday evening, June 24, 1871.

NEW STORE.—Roames & Sachs have opened a new store at Phoenix, and it is their intention to sell, so we are told, their goods as cheap as they are sold in this city.

OCCIDENTAL QUARTZ MILL has cleaned up, after a short run; we were not able to ascertain the amount realized, but suppose, as usual—plenty of amalgam.

OATS FOR FORT KLAMATH.—We have been informed that the contract for the delivery of the year's supply for Fort Klamath has been awarded to citizens of this valley.

DOING WELL.—We are informed by one of the owners, that the "Rogue River Mining Company" are pushing their work forward rapidly, and they soon expect to be able to make it "pan-out."

STREET OPENED.—Third Street has been partly opened, graded, and a new substantial bridge built across Rich Gulch.

CIRCUS.—The Great New York Circus will give an exhibition at Jacksonville on the evening of the 24th inst. They will perform but once in this place.

THE Fourth of July Committee have engaged the "Jacksonville Band" for the celebration of our national anniversary.

"RED KNIGHTS" of Jacksonville are drilling, under Capt. Joseph Hyzer, at Veit Schutz' Hall, for a "grand parade" on the next "Fourth of July."

EXHIBITION.—The examination and exhibition of the scholars of the Saint Mary's Academy of this city, (Sisters' School) on last Thursday, at Horne's Hall, passed off in fine style.

REBEKAH DEGREE MEETING.—The regular meeting of the Rebekah Degree, Jacksonville Lodge, No. 10, I. O. O. F., will be held on Monday evening, June 26, 1871, at 8 o'clock.

AT HOME.—The Sturgis (Michigan) Journal, contains the following:

"Judge Orange Jacobs, of Washington Territory, has returned to this place—the residence of his father, and the home of his youth—after an absence of twenty years.

"Mr. Jacobs when a young man residing in this place, was known to be a man of ability and integrity, and the prophecy was that he would make his mark in the world.

"Before he shall return to his home in the West, the people of Sturgis will expect to hear from him in a more general way in Union Hall."

AGUE KING.—The season for fever and ague and similar disorders is now approaching, those unfortunate enough to contract either, will find the "Ague King" a sure and safe remedy.

OLD PREJUDICES ARE DYING OUT.—New facts are killing them. The idea that invalids weakened by disease can be relieved by prostrating them with destructive drugs, is no longer entertained except by monomaniacs.

FROM the Salem Statesman of June 8th, we copy as follows:

Mr. John V. Ramsey informed us yesterday that his family was increased by a new arrival, a little son, the 15th child of the same mother.

THE opposition to infidelity among the Catholic clergy is spreading. Close upon the case of Dr. Dollinger comes that of M. Egh, a priest of some note in Switzerland.

A Chapter of Facts.

Space is valuable in a newspaper, and it is therefore proposed in this advertisement to condense a variety of facts, important to the public, into a small compass.

What this great restorative will do must be gathered from what it has done. The case of dyspepsia, or any other form of indigestion, in which it has been persistently administered without effecting a radical cure, is yet to be heard from.

THE NEW FOOD.

For a few cents you can buy of your Grocer or Druggist a package of SEA MOSS FARINE made from pure Irish Moss or Carrageen, which will make sixteen quarts of Flano Mange, and a like quantity of Puddings, Custards, Creams, Charlotte Russe, &c.
