Rev. J. H. SKIDMORE will preach at the M. E. church to-morrow at the usual hour.

### "Another Lie Nailed"

A few days ago a drunken scallawag affirmed on the streets of this town that Fay, the editor of the Times, was a gentleman. We here emphatically deny the truth of that statement. In fact we denounce it as a "malicious falsehood," a "shameless," a "stupid" and an "overwhelming" lie, and "brand the brazen brows" of the worthless wretch who uttered it as an "infamous" slanderer. The editor of the Times is only a seducer, a public disturber and a pest to society. Thus the public will perceive that "another lie has been nailed."

RABBIT HUNT.—A hunting party, consisting of Messrs. Bybee, Glenn, Hyde, Kahler, Helms, Moore and half a dozen others, started for Butte creek last Wednesday. We wish them success and a merry good time. A full account of their daring exploits will be given next week.

TAKE NOTICE.—The Times of last week propounds several queries to Mr. Turner, the telegraph agent here. Let its editor at once understand that Mr. Turner does not recognize the right of that paper to catechize him—its editor would be more useful to the people of this State making brick in the Penitentiary, than controlling a few quarts of type and asking impertinent questions. That's what's the matter with Hannah!

ST. MARY'S ACADEMY.—The third quarter, at this school, will commence on Monday next.

PERSONAL.—The many friends of Mr. Thomas Rainey will be gratified to learn that he arrived at the old home in Platte county, Mo., in time to eat his Christmas dinner. Weather very cold, but everything seemed to be prospering.

MR. YORK, of Applegate, the gentleman who had his leg broken, about a year ago, by a rock sliding down from the upper side of the ditch in which he was working, and who suffered severely by his leg not being properly attended to at the time, is now rapidly recovering under the treatment of Dr. Bailey, being able to walk without his crutches.

Venus herself would not have been beautiful if her complexion had been bad. If beauty is skin deep, it is necessary to secure and retain that part of it; and ladies, instead of resorting to paints and powders, should remember that an impure, blotchy, or sallow skin is the proof of feeble digestion, torpid liver, or vitiated blood, for all which DR. WALKER'S CALIFORNIA VINEGAR BITTERS is a safe, sure, and effectual remedy.

Hall's Vegetable Sicilian Hair Renewer prevents the hair from falling off. Use it.

SMALL POX is raging in Chicago to an alarming extent. During the week ending Dec. 26, 113 cases were reported.

We acknowledge the receipt of Langley's Almanac and Year Book of Facts for the year 1872.

SEVERE ON STOCK MEN.—We learn by a letter written by Arthur Langel to N. Langel of this place, that the cattle in the Lost river country are suffering on account of the severe winter they have had in that section. He predicts that if we should not have a favorable spring, a great many cattle must perish for want of food.

FRUIT TREES.—The Messrs. Perkins of Eugene City, offer to furnish 100 young apple trees to any part of Jackson county, accessible by express, for \$25, free of expressage. See advertisement.

SENTIMENTAL.—We find this piece of stolen grandiloquence in the Times of last week:

As Spring approaches, the candidates for Congress of either party make their appearance on the surface as the modest violet bursts the sod and opens its tender blue eye on the smiling heavens.

We would infer that the Times man meant the little violet that first opened its "blue eye" in his barn last winter; but it was only a candidate for a baby shirt, not for Congress, and that's what's the matter with Hannah's little one.

DEATH OF GEN. HALLECK.—This distinguished individual in military fame, and a most prominent citizen, died at Louisville, Kentucky on the 9th inst., at the age of fifty-six years. He will long be remembered for the efficient service he rendered during the rebellion. His loss will be lamented as a great national calamity.

The health of Jesse Grant, the President's Father, is improving rapidly.

STRAYED.—Mr. Booth, of Ashland, has lost two horses. See what he has to say about them under 'New to day.'

GOOD EVIDENCE.—As a proof of the medicinal properties of the Liver King, it is used in the practice of our best physicians. By permission, we refer to one of your oldest practitioners, Dr. Overbeck, who is acquainted with the ingredients of the Liver King and gives it his approval.

WOOD WANTED.—Ten cords of good oak wood will be received at this office, if delivered within two weeks, in payment of subscription to the SENTINEL.

A SCHOLARSHIP in the National Business College, at Portland, can be had on favorable terms by applying at the SENTINEL office.

## A NEW MEDICAL Discovery!

## THE GREAT Liver King,

A Vegetable Substitute FOR CALOMEL!

It has long been needed, more especially on the Pacific Coast, a remedy for inactivity of the Liver.

The Superiority of the Liver King over any other remedy introduced consists in the following:

1. It operates upon the Stomach and Liver and not upon the lower bowels.
2. It is pleasant to the taste, and does not produce nausea of the stomach.
3. It is purely vegetable, and does not injure the system like mineral remedies.
4. It can be given with ease to children, which in itself will make it popular as a family medicine.
5. Persons of delicate constitution who cannot take pills, will hail it with joy.
6. It is perfectly harmless, and can in nowise injure you, and persons who are troubled with

## A Body and Mind Disease.

Such is dyspepsia. The stomach and the brain are too intimately allied for the one to suffer without the other, so that dyspepsia and despondency are inseparable. It may be added, too, that irritation of the stomach is almost invariably accompanied by irritation of the temper.

The invigorating and tranquilizing operation of Hostetter's Bitters is most powerfully developed in cases of indigestion. The first effect of this agreeable tonic is comforting and encouraging. A mild glow pervades the system, the chronic uneasiness in the region of the stomach is lessened, and the nervous restlessness which characterizes the disease is abated. This improvement is not transient. It is not succeeded by the return of the old symptoms with superadded force, as is always the case when unmedicated stimulants are given for the complaint.

Each dose seems to impart a permanent accession of healthful invigoration. But this is not all. The aperient and anti-bilious properties of the preparation are scarcely secondary in importance to its tonic virtues. If there is an overflow of bile, the secretion is soon brought within proper limits, and if the biliary organ is inert and torpid it is toned and regulated. The effect upon the discharging organs is equally salutary, and in cases of constipation the cathartic action is just sufficient to produce the desired result gradually and without pain. The Bitters also promote healthy evaporation from the surface, which is particularly desirable at this season when sudden spells of raw, unpleasant weather are apt to check the natural perspiration and produce congestion of the liver, coughs and colds. The best safeguard against all diseases is bodily vigor, and this the great Vegetable Restorative especially promotes.

PREPARED BY DR. J. C. AYER & Co., Lowell, Mass.

Ayer's Cathartic Pills, For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the Pills with which the market abounds. By their occasional use, the blood is purified, the eruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Intestinal organs which become clogged and sluggish are cleansed by Ayer's Pills, and stimulated into action. Thus incipient disease is checked, and the value of which change, when resorted to on the vast multitudes who enjoy it, can hardly be computed. Their sugar-coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these Pills rapidly cure: For Dyspepsia or Indigestion, flatulency, Langour and Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Dysentery or Diarrhoea, but one mild dose is generally required, and the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these Pills rapidly cure: For Dyspepsia or Indigestion, flatulency, Langour and Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For Rheumatism, Gout, Gravel, Pain in the Side, Back, and Loins, they should be judiciously taken, as required, to change the diseased action of the system. With such change these complaints disappear.

For Dropsy and Dropsical Swellings, they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression, a large dose should be taken, and it produces the desired effect by sympathy.

As a Diabetic Pill, take one or two Pills to promote digestion, and relieve the stomach. A moderate dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

## Ayer's Hair Vigor

For restoring to Gray Hair its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. It soon restores faded or gray hair to its original color, with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.
