SCHOOL EXHIBITION.—On Thursday and Friday evenings of last week, the scholars of this district, under the control of Professor Robb and Miss Eckleson as teachers, gave a very interesting entertainment to a large audience at the district school house of this place. We were attentive listeners on both evenings, and feel warranted in saying that there was not a failure, notwithstanding many of the pieces declaimed and plays performed would have taxed the brain of much older scholars. The most of the scholars of the school are comparatively young, yet under the training of their excellent teachers they acquitted themselves with great credit, frequently calling out the applause of the entire audience. The teachers have cause to be proud of their success, and the parents ought to feel proud of their children. Great credit is due to the Trustees of this district for the lively interest that they have taken in the school during the past year, and they are now being richly repaid by witnessing the glorious results that have come from their labors. C. C. Beekman was called on for an address on the first evening and responded and made some telling hits in his usual able and happy manner. Judge Prim closed the exhibition on Friday evening with some very fitting remarks in behalf of education.

DEMOCRATIC CONVENTION.—Just as we expected, the Luncheaters glutted themselves too full at the chop house on the day of the primaries to run well. The Pintoes won the race easily and elected the following gentlemen delegates to the Democratic State Convention: J. R. Neil, L. J. C. Duncan, Jacob Wimer, Benjamin Haymond, W. A. Childers, N. Fountain, James Miller and W. J. Songer. We understand that Mr. Neil is the one picked upon to carry the proxies to the Democratic State Convention. This is quite a victory for Neil when we reflect that it has not been over a year ago when a few of the leaders of the Democratic party tried to run him out of the County by the vilest of slander. He is now marching around with the Democratic party in his pocket.

MEETING OF THE PIONEERS.—Next Friday, April 5th, is the day fixed for a grand reunion of the Pioneers of this and adjoining counties. It will be a pleasing scene, the meeting of so many veterans, who made the roads to these valleys, subdued the savages, and secured to us the garden spot of the world. Everybody has an invitation to witness this impressive meeting.

FUNERAL ORATION.—One of the Democratic leaders of Southern Oregon delivered his funeral oration on last Saturday at the County Convention. While many pitied him, there were but few tears shed over his death. The Democrats are a hard-hearted set of fellows any how.

PERSONAL.—J. W. Stanley and C. W. Savage returned from the State Convention this week. Mr. Dowell is expected home in a few days.

SINGING SCHOOL.—E. C. Brook's Singing School commences on Monday evening of next week, in Horne's Hall. All are invited to attend.

GONE AFTER GOODS.—Sol. Sachs started for San Francisco on Thursday for Spring goods. He said he would buy the finest assortment of Spring goods that has ever been brought to Southern Oregon. We will see when they come.

Hall's Vegetable Sicilian Hair Renewer cleanses the head from dandruff. Give it a trial.

The Nominations.

The nominations made by the Republican party in Convention seem to be very acceptable, as it has been now over a week since they were made and we have heard no complaint; but to the contrary all join in giving the action of the Convention a hearty indorsement. This is the second time that Mr. Wilson has been nominated by acclamation. This fact alone if no other, is evidence of his great popularity throughout the State. As one of our own citizens had the honor of making the motion, that Mr. Wilson be nominated by acclamation, we can insure the nominee the whole strength of the Republican party in Southern Oregon.

The gentlemen named for Electors of President and Vice President are old citizens of the State, and are known to be true soldiers in the Republican ranks. Their known political record will do much to promote the harmony that has always existed in the party.

The Delegates to the National Convention are all representative men, and highly worthy of the honor of representing the Republicans of this State in the National Convention.

Another Victory.

New Hampshire has gone Republican by a large majority. Straw, the Republican candidate for Governor, has been elected by 1,500 majority. The Republicans have also elected a majority of the legislature, which will secure the election of a Republican Senator from that State. Oregon will do likewise on the 3d of June next.

GOOD EVIDENCE.—As a proof of the medicinal properties of the Liver King, it is used in the practice of our best physicians. By permission, we refer to one of your oldest practitioners, Dr. Overbeck, who is acquainted with the ingredients of the Liver King and gives it his approval.

What Dyspepsia may End in.

Indigestion is not dangerous, say the faculty. Perhaps not in itself, while it remains mere indigestion; but look at the consequences to which it may lead, and often does lead when it becomes a chronic disease. A spark of fire is a small thing. A pressure of the foot will put it out; a breath will extinguish it. Yet it may fire a powder mill, or kindle a flame that will consume a city. In like manner indigestion may produce gastritis, cancer of the stomach, congestion of the bowels, apoplexy, liver disease, and many other dangerous maladies. Is it not wise, then, to check it in the germ? Nothing is more clearly and indisputably established than that Hostetter's Stomach Bitters will eradicate dyspepsia in all its stages. The true policy, however, is to extinguish it in the first stages with this wholesome, powerful, and infallible tonic and alterative. It is easier to quench a spark than a flame, and it is easier to cure dyspepsia when it is first developed, than when it has made headway by neglect, and become complicated with other ailments. There is not the shadow of a doubt that the bitters are as directly antagonistic to dyspepsia as water is to fire. There are thousands of cases on record proving this fact. The remedy is safe and agreeable. All the liquors of commerce prescribed as stimulants leave a sting behind. But the sting is taken out of the spirituous basis of this great remedy by vegetable medication, and, moreover, the stimulant thus medicated is of exceptional purity. Of all tonics taken as safeguards or remedies for fever and ague, bilious remittents, and other epidemics, it is the only one that can uniformly be depended on.

STOCK MEN
Look to Your Innterests!
THE WHITE PRINCE

WILL BE KEPT AT MY FARM NEAR Ashland, Oregon, till the first Tuesday in April; will then be every Tuesday and Wednesday at the Union Livery Stables, Jacksonville, and Friday and Saturday at home till the 10th of July.

NAPOLEON II,

The horse I purchased with [illegible] in the East the past winter, is now near Red Bluff, Cal., and will be here about the first of May and be kept with White Prince the balance of the season.

He is not quite as heavy as White Prince, rather finer about the head, neck and withers; a beautiful dark dapple gray, with white mane and tail. This horse, and mare "Jean of Arc," which died before shipment, were selected in France in 1870, by one of her citizens, the best judge of this stock known.

Since the public have seen White Prince at our County Fair, he has matured and spread so his former friends would hardly know him.

While East last winter, and conversing with intelligent horse breeders, several of them informed me they had stood about from the Percheron or Norman horses; thought them too heavy and not sufficient travel for ordinary use, but after seeing the grade colts and fillies come to maturity, and seeing them in use, say they will breed to them. Wherever they have been introduced they have given universal satisfaction.

I have been at great expense and risk in making the above importations, and have no doubt that if the horse breeders of this and adjoining counties, patronize the above horses and take proper care of their colts, we will show in a few years a class of horses superior to anything in their ring on this coast.

I will give $150 00 for the best horse colt, sired by White Prince, at weaning time the coming fall.

Also, premium of set of silver teaspoons to the owner of the 2d best horse colt.

For the best mare colt, set silver teaspoons. For 2d best mare colt, a heavy silver plated soup ladle.

To be judged by disinterested men at our county fair in 1872.

Also, for the best lot of colts owned and bred by one party from White Prince and Napoleon II, at the county fair of 1873, a set of silver table spoons.

TERMS.

$15 due during the Season, and $15 when the mare is known to be with foal, or part'd with.

I have made my terms reasonable, that none need complain. I do not think any other person would go to this expense and risk to secure as good imported horses for anything like the same terms.

I will shortly have an Illustrated Descriptive Catalogue and a large engraving of my stock.

My colts, which I had at our County fair last fall, keep the same form and have grown well.

Call and see my stock and be your own judge as to their merits.

I will secure pasture, at fair rates, to accommodate mares from a distance.

Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the *Pills* with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by *Ayer's Pills*, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar-coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution or diet or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion, Listlessness, Languor** and **Loss of Appetite**, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness, Bilious Colic** and **Bilious Fevers**, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa**, but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back,** and **Loins**, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Dropsical Swellings**, they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression**, a large dose should be taken as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion, and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

HALL'S
VEGETABLE SICILIAN
HAIR
RENEWER.

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."
