

THE OREGON SENTINEL

SATURDAY MORNING, April 20, 1872.

National Union Republican Convention

The undersigned, constituting the National Committee designated by the Convention held at Chicago on the 20th of May, 1868, hereby call a convention of the Union Republican party at the city of Philadelphia, on Wednesday the 5th day of June next, at 12 o'clock noon, for the purpose of nominating candidates for the offices of President and Vice-President of the United States.

Each State is authorized to be represented in the Convention by delegates equal to twice the number of Senators and Representatives to which it will be entitled in the next National Congress, and each organized Territory is authorized to send two delegates.

In calling this Convention, the Committee remind the country that the promises of the Union Republican Convention of 1868 have been fulfilled. The States lately in rebellion have been restored to their former relations to the Government. The laws of the country have been faithfully executed, public faith has been preserved, and the national credit firmly established. Governmental economy has been illustrated by the reduction, at the same time, of the public debt and of taxation; and the funding of the national debt at a lower rate of interest has been successfully inaugurated. The rights of naturalized citizens have been protected by treaties, and immigration encouraged by liberal provisions. The defenders of the Union have been gratefully remembered, and the rights and interests of labor recognized. Laws have been enacted, and are being enforced, for the protection of persons and property in all sections. Equal suffrage has been engrained on the National Constitution; the privileges and immunities of American citizenship have become a part of the organic law, and a liberal policy has been adopted toward all who engaged in the rebellion. Complications in foreign relations have been adjusted in the interest of peace throughout the world, while the national honor has been maintained. Corruption has been exposed, offenders punished, responsibility enforced, as safeguards established, and now, as heretofore, the Republican party stands pledged to correct all abuses and carry out all reforms necessary to maintain the purity and efficiency of the public service. To continue and firmly establish its fundamental principles, we invite the co-operation of all the citizens of the United States.

THE UNK WEED REMEDY,

OR

Oregon Rheumatic Cure.

HISTORY.—This remedy is composed of the active principle of the *Unk Weed*, *Eugenia Thapsium Cordatum* Original, Lat. — indigenous to Oregon. Grows most abundantly and perfectly in Washington county.

PROPERTIES.—It contains an active solvent principle, extracted by ether, and a bitter tonic principle, soluble in alcohol.

MEDICAL PROPERTIES AND USES.—It is the most sure and speedy cure for Rheumatism, Rheumatic Gout, and Rheumatic Pains of all kinds that was ever introduced into the Materia Medica. The *Unk Weed Remedy*, as prepared by us in consequence of the existing bitter principle, possesses the necessary virtue of being a powerful tonic, promoting the appetite and invigorating the whole digestive apparatus, thus building up and strengthening the system, while at the same time the volatile principle being absorbed in the blood, acts specifically on the rheumatic poison, removing it from the circulation and system.

There are a few remedies known to the Medical Profession which will remove the Rheumatic Poison from the blood, but whose action is in consequence of depressing the system of the already enfeebled Rheumatic patient, that their use has to be abandoned before any specific effects are obtainable. Unlike these unwholesome, already known, the *UNK WEED REMEDY*, though producing as powerful and as active effects on the blood and system in removing the rheumatic poison, also possesses a strong tonic and recuperating element which admits of its continued use even by the most delicate and debilitated. Thus we have the combination for the first time of these two necessary elements in one remedy, which accounts for its superior and never failing curative effects in

Rheumatism, Rheumatic Gout, and Rheumatic Pains of all kinds.

We are aware of the fact that it is generally an easy matter to procure certificates attesting the efficacy of patent remedies from a certain class of those who use them. We have selected the following because the names attached to them are those of men of the most careful and scrupulous character, and because the large class of their acquaintances in Oregon will not, for a moment, accuse or suspect them of any exaggeration in the statements they make.

Remarkable cure of Mrs. Hoover, wife of Hon. Jacob Hoover, ex-Treasurer of Washington county, Oregon.

Tualatin Plains, Washington Co., Oregon, July 22, 1871.

A. M. Loryea & Co.—I have been troubled with Rheumatism for the past twelve years; my joints, especially those of my foot and hands, were badly swollen, so that I could with difficulty go around. My shoulder pained me a great deal and a large bony swelling grew out, so that I could not raise my hand to my head.

Since last Spring I have been taking your "Unk Weed Remedy," and find myself much improved. The swelling and pain have left my joints and shoulder and the bony growth has entirely disappeared and I use my limbs and am far better than I have been for years.

M. HOOVER.

Certificate of the Deputy Jailor of Multnomah County Jail:

City Jail, Portland, Oregon, June 7, 1871.

A. M. Loryea & Co.—I was attacked with a severe case of rheumatism. It was in my thighs, hips, fingers, shoulder blade—in fact in all the joints of my body. I suffered great pains and anguish. I was attended by a regular physician, but with no effect. I was induced to try your *Unk Weed Remedy*, and it immediately cured me up. I consider it, from my experience, the best remedy for rheumatism known.

A. F. TURNER, Deputy Jailor.

This is to certify that the above statement is correct to my own knowledge.

JOHN F. WARD, Jailor.

Certificate of A. E. Shipley, Esq. special contributor to the *Willamette Farmer*, and Secretary of the Oregon Horticultural Society:

Oswego, Oregon, March 28, 1871.

A. M. Loryea & Co.—Some four weeks ago I was entirely prostrated with rheumatism; in fact I was almost helpless. I sent to you for one 10-cent bottle of the "Unk Weed Remedy," by the use of which I experienced almost immediate relief, and by the time the bottle was gone the rheumatism was gone. From my own experience, and from what I have heard others say who have used the *Unk Weed*, I believe it to be a certain cure for the rheumatism.

Yours respectfully, A. E. SHIPLEY.

Certificate from Hon. A. J. Duffer, ex-President of the Oregon State Agricultural Society, and author of "Statistics of Oregon":

East Portland, April 1, 1871.

A. M. Loryea & Co.—I was afflicted with a severe attack of chronic rheumatism; was confined to my bed most of the time from June to July, when I used the *Unk Weed* and it cured me up.

A. J. DUFFER.

Certificate from Hon. Gideon Tibbitts, a member of the City Council of East Portland:

East Portland, April 7, 1871.

A. M. Loryea & Co.—Gents: This is to inform you that I have used your "Unk Weed" Remedy, and am satisfied it is a valuable medicine. It cures the time from rheumatism, and is a very strong attack of the inflammatory rheumatism, and tried nearly all of the so-called rheumatic remedies without any relief perceptible. I then tried your remedy, and it has resulted in the most happy effects—a perfect cure.

Truly yours, GIDEON TIBBITTS.

Certificate from Hon. E. L. Quimby, ex-County Commissioner of Multnomah County, Oregon:

Dr. HENLEY'S CELEBRATED LIVER BITTERS

A Sure Cure for Dyspepsia!

These Bitters are prepared from the most choice and wholesome herbs and roots, and have given universal satisfaction wherever tried. Thousands of dyspeptic have found relief through their use, and physicians recommend them for the cure of all diseases of the blood and liver, and irregularities of the digestive organs.

Headache, Biliousness, Constipation, General Debility and Loss of Appetite, all are caused by the disordered action of the Liver, and the Liver Bitters are a most efficient remedy in all these complaints, being composed of a number of vegetable drugs which act primarily upon the liver, and of that nature, and are of the greatest efficiency in their cure.

CERTIFICATES.

MR. H. H. HENLEY & CO. I take pleasure in testifying that I have carefully examined Dr. Henley's Liver Bitters, and have found them to be a most efficient remedy in all the diseases of the blood and liver, and irregularities of the digestive organs.

From the composition of the Bitters, as far as I am able to determine, I should judge that the Liver Bitters must be a very efficient remedy in all the diseases of the blood and liver, and irregularities of the digestive organs.

Dr. Henley's signature should be on the top of each bottle, and also one that cannot fail to be beneficial as a tonic and regulator of the digestive organs.
