## Religious Notices.

**FATHER BLANCHET** will hold divine services at the Catholic church to-morrow, at the usual hour.

**Rev. B. R. JOHNSON** will preach at the M. E. church to-morrow at the usual hour. Subject, The beauty and purity of the Masonic Emblems.

## The Fourth.

The people of Jackson and Josephine counties turned out in mass to celebrate the Fourth. They congregated in Bybee's grove at half past ten A. M., to listen to the exercises of the day as arranged by the committee.

First, prayer by the Rev. Skidmore. The Declaration of Independence was read by J. W. Stanley. Mr. Stanley has a fine voice, and read with great clearness and force. The Hon. Binger Herman delivered the Oration. The oration is spoken of as being a very fine production, and prized as one of the best that has been delivered in this place in many a year.

Mr. Herman, though a young man, is a fine orator, and is destined to make his mark among the first lights of the State, and that, at no distant day.

After the oration, the Foolkillers performed for the amusement of the crowd. The boys performed their part well, and made mirthful laughter ring from both old and young. Then followed the dance in the bower house, where a goodly number participated in tripping the light fantastic toe. There were three swings and eight ice-cream stands on the ground. As the day was reasonably cool, not much ice was needed, however; but it was well enough to have it on hand, as a few from the country brought some tanglefoot with them that needed cooling.

Upon the whole the day passed off very pleasantly, and wound up with a rousing dance at Horne's Hall.

**INSTALLATION**—I. O. R. M.—At a regular meeting of Oregonian Pochontas tribe No. 1, I. O. R. M., held at their Lodge in Jacksonville, July 2d, 1872, the following duly elected officers were regularly installed by P. S. E. B. Watson: John Cimboriski, S.; W. H. McDaniel, S. S.; James P. McDaniel, J. S.; Sol Sachs, C. of R.; A. Fisher, K. of W.; E. D. Foudray, F. C.; David Cronemiller, T.

**RACE**—The "gray mare" was beat by Booth's "Caducas," over the Bybee track, on the Fourth—"Caducas" winning by 30 feet. The bet was \$200 a side.

**EXPRESS LINE**—See Manning & Webb's new advertisement—Ft. Klamath Express Line.

"The New Mining Law," on the outside of this number, is lengthy, but interesting and important.

**DISCHARGED**—Corporal Brooks, who was arrested by the military authorities for killing Sargeant Marony at Fort Klamath, was turned over to the civil authorities, a few days ago, and was examined before Justice Wade, yesterday, 5th inst, and discharged upon the ground that he was justified in the killing, as he did it in self defence. In justice to Corporal Brooks we will add that the whole of the evidence entirely exculpates him from any intention of committing any crime.

**SODA SPRINGS**—We learn that the Fourth was celebrated in fine style at the Soda Springs. A fishing and hunting party consisting of Hon. Jesse Applegate, Major Glenn W. Benson, and that celebrated follower of Walton, Col. Sperry, was present. The table was set off in tempting arrangement with venison and speckled trout, and with other dainties, by the most accommodating landlord of the soda springs House.

**ORDERED TO ARIZONA**—Captain Goodale's company start to-day from Rock Point, where they are encamped, to Arizona, via Crescent City. They have been stationed at Ft. Klamath for the last three years.

**HOLLOWAY'S PILLS AND OINTMENT**.—Scrofula or morbid deposits in the lungs, joints and tissues. These medicines have rendered this disease a less formidable scourge than formerly. It has been incontestably proved that in Scrofulous affections they have effected thousands of cures. Sold everywhere. 25 cents per box or pot.

## A Pitiful Condition.

It is a sad thing to pass through life only half alive. Yet there are thousands whose habitual condition is one of languor and debility. They complain of no specific disease; they suffer no positive pain; but they have no relish for anything which affords mental or sensuous pleasure. In nine cases out of ten this state of lassitude and torpor arises from a morbid stomach. Indigestion destroys the energy of both mind and body. When the waste of nature is not supplied by a due and regular assimilation of the food, every organ is starved, every function interrupted.

Now, what does common sense suggest under these circumstances of depression? The system needs rousing and strengthening; not merely for an hour or two, to sink afterward into a more pitiable condition than ever (as it assuredly would do if an ordinary alcoholic stimulant were resorted to,) but radically and permanently.

How is this desirable object to be accomplished? The answer to this question, founded on the unvarying experience of a quarter of a century, is easily given. Infuse new vigor into the digestive organs by a course of Hostetter's Stomach Bitters. Do not waste time by administering temporary remedies, but wake the system up by recuperating the fountain head of physical strength and energy, the great organ upon which all the other organs depend for their nurture and support.

By the time that a dozen doses of the great vegetable tonic and invigorant have been taken, the feeble frame of the dyspeptic will begin to feel its benign influence. Appetite will be created, and with appetite the capacity to digest what it craves. Persevere until the cure is complete—until healthful blood, fit to be the material of flesh and muscle, bone and nerve and brain, flows through the channels of circulation, instead of the watery pabulum with which they have heretofore been imperfectly nourished.

**Special Notice.**  
Persons in the cities of San Francisco, Portland, and other places, who are afflicted with the various forms of Scrofula, or Morbid Deposits, in the lungs, joints and tissues, and who are desirous of procuring a cure, will do well to send for a copy of the "Sentinel," containing a full and complete description of the disease, and the mode of curing it, and the names of the proprietors of the medicine, and the names of the agents in the various cities.

## STOCK MEN

**Look to Your Interests!**

**THE WHITE PRINCE**

**WILL BE KEPT AT MY FARM NEAR** Ashland, Oregon, till the first Tuesday in April; will then be every Tuesday and Wednesday at the Union Livery Stables, Jacksonville, and Friday and Saturday at home till the 10th of July.

**NAPOLEON II.**

The horse I purchased while in the East the past winter, is now near Red Bluff, Cal., and will be here about the first of May and be kept with White Prince the balance of the season. He is not quite as heavy as White Prince; rather finer about the head, neck and withers; a beautiful dark dapple gray, with white mane and tail. This horse, and mare "Joan of Arc," which died before shipment, were selected in France, in 1870, by one of her citizens, the best judge of the stock known.

Since the public have seen White Prince at our County Fair, he has matured and spread so his former friends would hardly know him. While East last winter, and conversing with intelligent horse breeders, several of them informed me they had stood aloof from the Percheron or Norman horse; thought them too heavy and not sufficient travel for ordinary use, but after seeing the grade colts and fillies come to maturity, and seeing them in use, say they will breed to them. Wherever they have been introduced they have given universal satisfaction.

I have been at great expense and risk in making the above importations, and have no doubt that if the horse breeders of this and adjoining counties, patronize the above horse and take proper care of their colts, we will show in a few years a class of horses superior to anything in their ring on this coast.

I will give \$150 00 for the best horse colt sired by White Prince, at weaning time the coming fall.

Also, premium of set of silver teaspoons to the owner of the 2d best horse colt.  
For the best mare colt, set silver teaspoons.  
For 2d best mare colt, a heavy silver plated soap ladle.  
To be judged by disinterested men at our county fair in 1872.

Also, for the best lot of colts owned and bred by one party from White Prince and Napoleon II., at the county fair of 1873, a set of silver table spoons.

**TERMS.**

\$15 due during the Season, and \$15 when the mare is known to be with foal, or parted with.

I have made my terms reasonable, that none need complain. I do not think any other person would go to this expense and risk to secure his good imported horses for anything like the same terms.

I will shortly have an Illustrated Descriptive Catalogue and a large engraving of my stock. My colts, which I had at our county fair last fall, keep the same form and have grown well.

Call and see my stock and be your own judge as to their merits.  
I will receive pastures, at fair rates, to accommodate mares from a distance.

**PLANATION BITTERS.**

**S. T.—1860—X.**

This wonderful vegetable restorative is the sheet-anchor of the feeble and debilitated. As a tonic and cordial for the aged and languid it has no equal among stomachics. As a remedy for the nervous weakness to which women are especially subject, it is superseding every other stimulant. In all climates, tropical, temperate or frigid, it acts as a specific in every species of disorder which undermines the bodily strength and breaks down the animal spirits.

**MEXICAN MUSTANG LINIMENT FOR MAN AND BEAST.**

Probably few articles have ever had so extensive a Sale, while none have been more universally beneficial than the celebrated **MEXICAN MUSTANG LINIMENT**. Children, Adults, Horses, and Domestic Animals, are always liable to accident, and it is safe to say, that no family can pass a single season without some kind of an emollient being necessary. It becomes a matter of importance then to secure the best.

Over three hundred livery stables in the city of New York alone are using the **MEXICAN MUSTANG LINIMENT**, in all of which it gives universal satisfaction.

**CAUTION**—The genuine is wrapped in a fine Steel Plate engraving with "G. W. Westbrook, Chemist" and "Trade Mark, MEXICAN MUSTANG LINIMENT" engraved across the face of each wrapper. The whole bears the proprietor's private United States Revenue Stamp, and let a common stamp, as used by druggists.

**HALES VEGETABLE SICILIAN HAIR RENEWER.**

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY or FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

Sold by all Druggists, and Dealers in Medicines. Price One Dollar.

**Buckingham's Dye FOR THE WHISKERS.**

As our Renewer in many cases requires too long a time, and too much care, to restore gray or faded Whiskers, we have prepared this dye, in one preparation; which will quickly and effectually accomplish this result. It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price Fifty Cents.

**Manufactured by R. P. HALL & CO., NASHUA, N.H.**

**Ayer's Sarsaparilla.**

Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Scurvy, Eruptions, and eruptive disorders of the skin, Tumors, Itchings, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poison.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.
