MEDICAL PROPERTIES AND USES.—It is the most sure and speedy cure for Rheumetism, Rheumetic Gout, and Rheumetic Porse of all kinds that was ever introduced into the Materia Medica. The Unk Weed Remedy, as prepared by us in consequence of the existing bitter principle, possesse the necessary virtue of being a powerful tonic, promoting the appetite and invogorating the schole digestice opporation, thus building up and strengthening the system, while at the same time the volatile principle, being absorbed in the blood, acts specifically on the rheumatic poison, removing it from the circulation and system.

blood, acts specifically on the rhemmatic poison, removing it from the circulation and system.

There are a few remedies known to the Medical Profession which will remove the Rhemmatic Poison from the blood, but whose action is so powerful in depressing the system of the already enfeebled Rhemmatic patient, that their use has to be abandoned before specific effects are obstantially LIVER these medicines already. to be abandoned before specific effects are ob-tainable. Unlike these medicines, already known, the UNK WEED REMEDY, though producing as powerful and as active effects on the blood and system in removing the rhemselie poston, also possesses a strong tonic and recuperating element which admits of its continued use even by the most delicate and debilitated. Thus we have the combination for the first time of these two recovery directions. the first time of these two necessary elements in one remedy, which accounts for its superior and never failing curative effects in

Since last Spring I have been taken your "Unk Weed Remedy." and find myself much improved. The swelling and pain have left my joints and shoulder and the bony growth has entirely disappeared and I use my limbs and am far better than I have been for years.
