ODD FELLOWS' CELEBRATION.-The members of Jacksonville Lodge No. 10, I. O. O. F., of Oregon, celebrated their 12th Anniversary on Monday, the 12th inst. The members of this Lodge turned out en masse, in full regalia, under the direction of Chief Marshal H. V. Helms, and his aids. After marching through the principal streets of Jacksonville they brought fitting and well timed oration delivered by Bro. Binger Herman, of Roseits reputation of being one of the best bands in Oregon. A choir of our best lady and present and sang a few choice pieces, selected for the occasion, under the direction of Prof. E. C. Brooks. best lady and gentlemen singers were At 5, r. m., the Lodge, with many others, repaired to the Dining Hall of Veit Schutz, where they found a bounteous table spread with all the luxures of Southern Oregon. Veit has a reputation of setting rich and tastefully arranged tables; but this was certainly one of his most successful certainly one of his most successful efforts and brought forth many a compliment from those that partook of the rare dainties that were spread before them. The exercises of the di wound up with a dance at Horn Hall, where a goodly number partic pated in tripping the light fautas toc. The celebration was a succe throughout, and will long be reme bered in Jacksonville.

FORWARDING AND COMMISSION .- T attention of the business men of t valley is called to the advertisement Messrs, Butler & Jaynes. These go tlemen have established business in town of Redding, Cal., the present northern terminus of the C. &. O. R. R., and assure all who may need their services that they are prepared to offer inducements superior to all others i their line. Mr. Butler visited Jack and happy as ever. We know Tom will do the fair thing in everything he andertakes, and cheerfully recommend the firm to all who may have occasio to engage their services.

ALMOST A FIRE. - On Thursday th cry of fire aroused our town to action just in time to prevent a general conflagration, as a breeze was blowing at the time whick would have sent a fire through the town in short order. A tew live ceals accompanied a deposit of ashes in a box near the corner of Ore-gen and California streets, which was the cause of the trouble. Citizens cannot be too careful of fire, in the present dry condition of the town.

RUNAWAYS .- Something unfavorable must have pervaded the atmosphere of Thursday, as several runaways occurred that day. Nothing serious re-sulted, further than breakage of wag-ons and harness and the bruising of one man from Willow Springs who had eaten so much Jamaica rum that he couldn't ride over rough ground as fast as his team could run.

Good BARGAIN .- Mr. Lewis Rothermel, at the residence of Mr. P. Britt in this city, offers for sale a horse, harness and new spring wagon, cheap for cash, or will sell them on time with approved security. n29w2

FINE GRAPES.—The SENTINEL boys tender their thanks to Father Blanchet for a liberal present of nice grapes, tresh from the vine of an early variety.

CATTLE FOR SALE .- Read the notice of Mr. Arthur Langell, under this head in another column. There is a good chance for a speculation.

# PLANTATION BITTERS S. T.-1860-X.

This wonderful vegetable restorative is the sheet-anchor of the feeble and debilitated. As a tonic and cordial for the aged and languid it has no equal among stomachics. As a remedy for the nervous weaknes to which women are especially subject, it is superseding every other stimulant. In all climates, tropical, temperate or frigid, it acts as a specific in every species of disorder which undermines the bodily strength and breaks down the animal spirits.

# Ayer's Hair Vigor

For restoring to Gray Hair its nat-

A dressing which is at once agreeable. healthy, and effectual preserving the Trestores faded or gray hair to its original color, with the

gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some prepations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Contain-ing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.

Prepared by Dr. J. C. Ayer & Co., LOWELL, MASS.

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimu-lates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy ap-pearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

Sold by all Druggists, and Dealers in Medicines.

Price One Dellar.

# Buckingham's Dye

FOR THE WHISKERS. As our Renewer in many cases requires too long a time, and too much care, to restore gray or faded Whiskers, we have prepared this dye, in one preparation; which will quickly and effectually accomplish this result. It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price Fifty
