THE WEATHER.-At last the weath er has become somewhat regular and settled down into genuine Autumn beauty. Tis really the season of the ran the engine that drew the first pas-"sear and yellow leat," but not to us the "melancholy days," nor "saddest of the year." Could we have a say in the matter we would like to have it about half the year, at least. We like to see the foliage change color, and enjoy the sight of the gentle breeze piling up the rifts of falling leaves; and then the air is fresh and bracing always after the sultry heat of Summer.

THE BALM MEDICINE.-Mr. W. H. SERIOUS ACCIDENT. - On Saturday last, while on his way from Jacksonville to his home in the valley, ex-Sheriff Wm. Owens met with a serious stumbled and fell, throwing him off and falling upon him, breaking his collar-bone, three ribs, and badly bruising one side of his head. He was immediately brought to town and placed under the care of Dr. Aiken, Although severely injured the Doctor thinks he will have him all right again in a reasonable time. Mr. Owens is one of our most estimable citizens, whose services are valuable and always available, and we sincerely sympathize with him and wish him a speedy recovery.

JACKSON COUNTY STOCK .- George Ross, of this county, visited the late Linn County Fair at Albany with some racing stock, and by the papers we learn that he won a few of the purses and captured some of the premiums there contended for. ## PLANTATION BITTERS. S. T.—1860—X.

This wonderful vegetable restorative is the sheet-anchor of the feeble and debilitated. As a tonic and cordial for the aged and languid it has no equal among stomachies. As a remedy for the nervous weaknes to which women are especially subject, it is superseding every other stimulant. In all climates, tropical, temperate or frigid, it acts as a specific in every species of disorder which undermines the bodily strength and breaks down the animal spirits.

## LYON'S KATHAIRON,

for Preserving and Beautifying the Human Hair. To Prevent its Falling Out and Turning Gray.

A well-preserved Head of hair, in a person of middle age, at once bespeaks refinement, elegance, health and beauty. It may truly be called Woman's Crowning Glory, while men are not insensible to its advantages and charms. Few things are more disgusting than thin, frizzly, barsh, untamed Hair, with head and coat covered with Dandruff. Visit a barber and you feel and look like a new man. This is what LYON'S KATHAIRON will do all the time. The charm which lies in well placed hair, glossy curls, luxuriant tresses and a clean head is noticeable and irresistible. Sold by all Druggists and country stores.
