

A CARD.

As the SENTINEL has been run during my absence directly against the interest of a large majority of its supporters...

H. KELLY.

THE ELECTION.

The election is over and the Republican party is defeated. The Republican State ticket was composed of the best men in our State...

We object not to reform, but experience has taught us that the surest way to gain the top of the ladder is round by round.

We were unable to perceive how the Independents could or would make any improvements on the principles advocated and carried out by the Republicans.

It is well known that it has ever been one of the first principles of Republicanism to cheerfully submit to the will of a majority of the party.

HOW THEY PLAYED IT.

The count shows how croakers for a straight Republican ticket in Jacksonville and adjoining precincts played it. The count shows but two straight Republican votes in the precinct.

Wm. E. Osborn has been re-appointed by Gov. Groves as Commissioner of Deeds for Oregon, to reside in Brooklyn, New York.

THE COUNTY ELECTION.

The County election has resulted in the defeat of the People's ticket and the election of the Bedrock Democracy.

The People's ticket was selected with care from the ranks of the Democratic and Republican parties by a Convention called for that purpose.

On the other hand there was a faction spring up calling themselves the Stright Republicans, whose leaders being counselled and acting under the direct advice of the Bedrock Democrats...

We object not to reform, but experience has taught us that the surest way to gain the top of the ladder is round by round. The transition from one principle to another higher should never be so far extended as to cause the loss of the one already possessed.

It is well known that it has ever been one of the first principles of Republicanism to cheerfully submit to the will of a majority of the party. If they had been in the majority they could have the thrown, and justly too, the blame on the supporters of the Republican State ticket...

HOW THEY PLAYED IT.

The count shows how croakers for a straight Republican ticket in Jacksonville and adjoining precincts played it. The count shows but two straight Republican votes in the precinct. This was in keeping with their programme and contract with the leaders of the Bedrock party.

SWEET CONSOLATION.

The office holders faction can now have the sweet consolation of knowing that they through greed and causeless spite defeated their real friends and placed their enemies in office.

RETURNED.

Judge Tolman has arrived home, and is in good health and fine spirits. Though defeated he has made a good canvass, and we believe that he is the real choice of a large majority of the voters of the State.

The Judge has made many warm friends during the campaign, and is, to-day, by far the most popular man of the three candidates. He will be ever highly respected by his friends and neighbors in Southern Oregon whether in or out of office, and can ever have the consolation of knowing that it is better to live in the hearts of the people than in office with their censure and condemnation...

WHO DOUBTS THE TRUTH OF THIS

Napoleon met one day an old soldier with one arm; he stopped and said to him, "Where did you lose your arm?" "Sire at Austerlitz," was the reply. "And you were not decorated?" asked the Emperor. "No, Sire, I was forgotten." "Then," rejoined Napoleon, "here is my own cross for you, I make you Chevalier." "Ah, Sire," exclaimed the soldier, "your Majesty names me Chevalier because I have lost one of my arms; what would your Majesty do if I had lost them both?" "I should have created you officer of the Legion," answered Napoleon. Thereupon the soldier instantly drew his sword and cut off his other arm.

As if every old soldier didn't have three arms! Shoulder arms! Present arms! Arms at ease! What's easier?

A dog supposed to be mad was at large in the streets of Pendleton the other day. Several shots were fired at him.

Minutes of Teachers' Institute.

The following minutes of the Teachers' Institute were sent in for publication. The Institute was held at Ashland June 5th and 6th. It will be noticed that it was not attended by all the teachers of the County, as it ought to have been.

Pursuant to call, a number of the Teachers of Jackson county, convened at the Ashland Academy for the purpose of holding their second regular Institute.

The State and County Superintendents, both being absent, the House was called to order by Professor W. T. Leeke, Chairman of the Committee of Arrangements, and organized by electing W. T. Leeke, President; G. C. Walrad and Miss Anna C. Farlow, Vice Presidents; J. D. Fountain, Secretary; F. W. Ewing and Miss A. L. Grubbe, Critics.
