

JACKSONVILLE: SATURDAY, - - - - - JUNE 26, 1875. REPUBLICAN CENTRAL COMMITTEE.

A Meeting of the Republican State Central Committee of the State of Oregon will be held in the city of Portland, on WEDNESDAY, the 14th day of July, 1875. L. S. SCOTT, Chairman.

DEMOCRACY.—Democracy has been tried and found wanting. It once stood before the people as a party of honor and justice. But it turned its back on freedom, persecuted its champions and has become a mere tool of the slave power.

As a political power, it should have been banished from the field of American politics. But the power of evil tentacles outlive the institutions which generated it.

A CUNNING SWINDLE.—What is known as "straw bids," or bids made by irresponsible parties says the Bulletin, are frequently put in for mail contracts with the Government.

THE CENTENNIAL YEAR.—The Centennial jubilee may give birth to many foolish things, but none so foolish as the restoration of Democracy.

A HIDEOUS TRICK was played on a widow lady in London, on Easter Monday. She received an Easter egg of unusual beauty, but upon opening it to take out the gifts it contained, lo! a huge South African scorpion fell into her hand and stung her.

THE SAN FRANCISCO BULLETIN is informed on official authority that the treaty of reciprocity between the United States and the Hawaiian government has been ratified by the President and His Majesty, the King.

RATTLE SNAKES are bad around Winnemucca. Joe Bowers lately encountered and slew one that was eight feet long and had sixteen rattles on its tail.

The Democratic Party.

The country ought to understand the existing condition of affairs, and what may be expected from it, and the people should resolve to act intelligently and in a right direction.

It has been often asked, what are the principles of the Democratic party? The question was answered during the last Presidential campaign.

When Sheriff William Nye, of California was about to hang Wah Lee, the latter, pointing to the rope said interrogatively: "Chokee like he?" "Yes," said William solemnly, "Chokee heap, you bet;" and then they dropped him.
