The following Trustees were elected without opposition to serve for the ensuing year: David Linn, T. G. Reames, K. Kubli, N. Langell and J. Numan. U. S. Hayden and Henry Pape were elected Recorder and Treasurer, respectively, without opposition. The only contest was for the Street Commissioner between W. C. Greenman and Geo. H. Southern Oregon Mines.

From a gentleman well posted in mining matters in Southern Oregon, the Standard receives the following information.

The Sterling Mine owned by Levi Ankeny, Mr. Burall and two other gentlemen of this city, started into full operation on the 1st of the month, and is going at full capacity. This mine has three hundred feet head of water the year through, and with two giants sluicing away the mountain at a rapid rate. They will make their first clean up on the last of March.

The Blue Gravel Mine, on which \$100,000 has been spent, is now in full operation and working finely with excellent prospects. This mine, of which Capt. Ankeny and Mr. Jas. Cook are stockholders, has a head of two hundred feet, and with two giants running and forcing water through six inch nozzles tears out tons of earth from the mountain side, which has been washed away until it presents a perpendicular front ninety feet in height. A clean up will be made about the 10th of March. Capt. Ankeny will go south during the first of the month to be present when the clean up is made, and to also look after his interests.

The English mine, after a temporary suspension, on account of a break down, is working away at its fullest capacity. They have a head of three hundred and twenty-five feet and ten three giants. With these hydraulic hose, or either of the other mines, a stone of a ton weight is rolled aside as if it was a marble, and at three hundred and fifty yds. the strongest brick building in the city would be swept down as if it were built of sand. The English company have made a clean up, but the result is kept secret. There is no stock for sale in any of these mines.

DIED.
ROBINSON - At Evans Creek, Feb. 28th, Hugh Robinson, late of Clinton, Anador Co., Cal., aged 59 years and 4 months.
MARTIN - At the family residence in Jacksonville, on Saturday morning, March 2, 1878, at thirty minutes past twelve o'clock, Elvira M. Martin, wife of Alexander Martin, aged 39 years.

Seldom has this community been so suddenly and painfully shocked as by the death of this estimable woman. Hopefully, those dear to her were watching her rapid convalescence; when the Angel of death spread his sombre wings and Sorrow sat like a shadow in a stricken-desolate home. The silent reaper had gathered a precious sheaf to his threshing harrow - the silver cord that bound a pure spirit to earth is snapped asunder, but the tender memories of the loving wife and mother will cling like ivy to the heart of those who listen for her gentle voice in vain. Mrs. Martin came to this valley, from Van Buren county Iowa, with her mother, Mrs. Gass, in 1853, when fourteen years of age, and was married to Alexander Martin in 1857. She was universally beloved and leaves a wide circle of friends who, with this whole community, share in the sorrow of the bereaved family.
