We, the jury summoned to inquire into the death of Evi Sebring find that he came to his death on the evening of January 10th, 1879, in the county of Jackson, State of Oregon, by a gun shot wound, and we further find that the gun was in the hands of Samuel Rath at the time of the shooting.

DON'T FORGET IT.

If you are troubled with nervousness, are disheartened, tired of life, fear death or feel out of sorts as the saying is, you may safely conclude that you have the dyspepsia or Liver Complaint.

The liver is very apt to become torpid this season of the year as poisons arising from stagnant water or decaying vegetation are more numerous and are through inhalation taken into the blood.

Unless the liver is strong and active, and furnishes a supply of fresh and pure blood to drive out the impurities, the above mentioned symptoms surely follow, and if not heeded, end in more terrible diseases and death.

White's Prairie Flower proves itself the Great Liver Panacea. Its action on the liver is different from any other medicine ever compounded.

Its cures are truly wonderful. Try it. Price twenty-five cents and seventy-five cents. For sale by E. C. Brooks.
