

THE LAW OF NEWSPAPERS

1. Subscribers who do not give express notice to the contrary, are considered as wishing to continue their subscriptions.

DON'T FORGET IT.

If you are troubled with nervousness, are disheartened, tired of life, fear death or feel out of sorts as the saying is, you may safely conclude that you have the dyspepsia or Liver Complaint.

The liver is very apt to become torpid this season of the year as poisons arising from stagnant water or decaying vegetation are more numerous and are through inhalation taken into the blood.

Unless the liver is strong and active, and furnishes a supply of fresh and pure blood to drive out the impurities, the above mentioned symptoms surely follow, and if not heeded, end in more terrible diseases and death.
