HOW WE DID IT ON SCOTT'S BARK.

Continued from first page. fees were paid. Frenchy was stubborn as a mule, but he was taken to a big black-oak, in front of De Jarlais's store, an' his arms tied round pretty high up his feet just resting on the ground.

One o' the boys was from Missouri, where that kind o' thing was common; so he fixed up a rawhide lariat, about three feet long, an' handed it to Smith. He wasn't on it, and began to beg for Frenchy; he made the nicest kind of a little speech.

That's right it ain't Smith's business to do that job, he's only an immigrant an' it ain't fair to ask a man to do anything that goes agin his conscience; let the constable do it, an' it will be according to law.

Should have pretty teeth in them, but it is not unusual to see between rosy lips, teeth discolored and decaying through neglect. This disfiguring defect should be repaired without delay, by using fragrant SOZODONT, which removes every particle of tartar from the teeth and renders them snowy white.

PRICES REDUCED. THE IMPORTED PERCHERON STALLION

WILL MAKE THE SEASON BEGINNING APRIL FIRST AND CON- tinuing till July 1st: Tuesdays and Wednesdays at the livery stable of W. J. Plymale in Jacksonville, and Monday A. M., Thursday and Saturday each week at my stables near Ashland.

The first imported French stallion that came west of the Alleghenies came into Union county, Ohio, in 1851. This horse was called LOUIS NAPOLEON and showed the great value of this stock. Up to 1869 there were sixty-two more imported into the United States, and in the last ten years there have been five hundred and sixty-six imported.

Every business man knows that large, well formed horses have always been in demand at good prices. There has been a good deal said that the Percheron stock that I have introduced on this coast at great cost was a failure, a humbug, and did not suit the wants of farmers and teamsters, &c.

Terms—\$20 the Season. ARABIAN BOY and BOBBY BURNS will each serve a limited number of mares and be at my stables, ARABIAN BOY \$35 to insure. BOBBY BURNS, the Shetland, \$15 to insure.

The Most Goods for the Least Money, and to place before my patrons a variety of articles not to be found in any other house. It is not my intention to mislead the public by advertising goods I cannot produce upon

GREAT REDUCTION

PIANOS AND ORGANS.

Smith's Organs and Pianos

Are now TAKING THE LEAD OVER ALL OTHERS for Brilliancy, Sweetness of Tone, Durability and General Finish

SMITH'S PIANOS & ORGANS. In order to introduce THESE MAGNIFICENT PIANOS on this Coast, I have put the prices MUCH LOWER than other FIRST-CLASS MAKERS, and as I do not propose to make any agents, (who generally extort large profits from the consumer) I expect to be severely handled by such persons in the Piano business.

DURABILITY, TONE and the power of MAINTAINING TUNE LONGER than any other piano made, are the characteristics of these instruments.

The greatest possible attention is given to their tone and touch, and I have no hesitancy in offering them to the public as FIRST-CLASS PIANOS in every respect, and warrant them to stand in any climate.

BEWARE of Circulars from Rivals who are jealous of my success and are entirely disinterested. Address: JAS. S. SMITH, 575 MARKET ST., San Francisco.
