HARROR OF REFEGE.

A correspondent, signing himself "Crescent," writes to the "Call" of the th an article setting forth his reasons why Crescent City should be selected by the Government as a harbor of refuge. The writer has this much to say:

Congress has passed, and the Pr

is now the town of Essex,) on the Sth the Pacific coast he passed, deducting The law restricts the selection to that place affording the brit general and totaly given preference to the little pure of Triminad, and there is no doubt quartz, gravel mines, copper, iron chrome, lime, coal, and redwood belt, while through the great Rogus River Valley to Jacksonville you pass through

we and a half million acres of agricul-

tural land. The distance from Cres-

cent City to Jacksonville is about 120

neiles. "yere is a large agricultural

district at Crescent City sufficient to

support a large population. There is a good shelter here from the northwest wind, and Nature has By strangers honored, by strangers done much for the pince in affording large outlying islands and rocks as nateral abetments for breakwaters. at expressing or owning them, even try and thank his friends in Gregon for the harbor, and supplies of all kinds though he might suffer hardship by zo the many kindnesses shown him in sick- for any emergency. A large way doing. Believing the King to be a ness and in health during his tay with ing aix fathoms of water could be ob-Prince who had at heart the well-being them, but words to feel to extained here, with a large area baving or the star confitteen feet as high waine it was for the better to be cut loose you. And believe me when I say that There is one other harbor facility here case of need, in the large largon in land, which could easily be reached by a canal, and if this were done. Smith River could be periodically turned through the harbors which would ren-

der dredging almost useless. The citizens of Jacksonville had a mass railroad meeting two menths ago and determined to construct the road, and Crescent City will have one in April to co-operate, while a party from San Francisco is ready to construct the road. There is no question that in a very short time there will be a large and thrifty population in that section, A few days ago a dispatch was re- and by virtue of its varied and import-
