PRETTY MOUTHS.

Should have pretty teeth in them, but it is not unusual to see between rosy lips, teeth discolored and decaying through neglect.

THE CABINET IN CONGRESS.—Senator Pendleton has introduced a bill in the Senate which deserves early attention and to which the Senate can very well afford to give more time than to most of the empty political projects of the day.

OF INTEREST TO MINERS.—The official interpretation given to Congressional Mining Law is as follows: "A mining claim is forfeited whenever the assessment year is so nearly gone that the required work can not possibly be done in the time, and possession is resumed until the location fully complies with the law in these respects.

How the reform democracy used to howl about "nepotism." That was before the party came into power. But now Senator Eaton, of Connecticut, has appointed one of his sons clerk to the committee on enrolled bills, and has another son in a fat government place.

THE IMPORTED PERCHERON STALLION

PRIDE OF PERCHE.

WILL MAKE THE SEASON BEGINNING APRIL FIRST AND CONTINUE till July 1st: Tuesdays and Wednesdays at the livery stable of W. J. Plymale in Jacksonville, and Monday A. M., Thursday and Saturday of each week at my stables near Ashland.

The first imported French stallion that came west of the Alleghenies came into Union county, Oregon, in 1851. This horse was called LOUIS NAPOLEON and showed the great value of this stock. Up to 1869 there were sixty-two more imported into the United States. In the last ten years there have been five hundred and sixty-six imported. Some countries in Ohio and Illinois give business to from twelve to fifteen imported stallions, as well as a number of grades.

The grades of this stock are now going into the Chicago and New York markets and readily bring from fifty to seventy five per cent. more than the common stock of work horses. The above shows the reputation this stock has where they have had over a quarter of a century's experience with them.

See the money brought into this county by the sale of WHITE PRINCE, colts and filly. There have been forty five head sold and taken out of this county which brought \$13,317, an average price of near \$296 each. They were mostly sold when under two years old—many of them at weaning time. They were taken to California, Eastern Oregon, Washington and Idaho Territories. Favorable reports have come from all, and in several instances the purchasers have ordered or came and bought more.

WHITE PRINCE has not made a season here since 1873. Every business man knows that large, well formed horses have always been in demand at good prices. There has been a good deal said that the Percheron stock that I have introduced on this coast at great cost was a failure, a humbug, and did not suit the wants of farmers and teamsters, &c. These parties that give currency and credit to the above are, no doubt, interested in some other stock and never owned or gave the Percherons a trial.

Hear what RELIABLE MEN, that are well known in this county, say on this matter: We, the undersigned, having bred, owned or used colts sired by the imported Percheron horses introduced into Oregon by W. C. Myer, of Ashland, believe this stock to be a VALUABLE ACQUISITION TO OUR STATE, as those bred here all show their origin in a VERY MARKED DEGREE, having a square, solid make-up, with good bone, fine form, kind disposition and good action for animals of their size. Those old enough to work give good satisfaction on the farm or road as team animals, and find a ready market at the highest prices for which work horses are sold. The produce from the half-bloods, colts and fillies, show the Percheron blood.

In view of these facts there can be no doubt that the introduction of the Percheron has and will cause a valuable improvement of our common stock, and add to the financial interests of the country.

PRIDE OF PERCHE was selected in France by the same party that brought out old Louis Napoleon. (He then had 23 years experience with this stock) and was purchased from one of the best breeders in France. His produce in this State show him to be a No. 1 stock horse.

Terms—\$20 the Season.

ARABIAN BOY and BOBBY BURNS will each serve a limited number of mares and be at my stables, Ashland, March 26th, 1879.

Are now TAKING THE LEAD OVER ALL OTHERS for brilliancy, Sweetness of Tone, Durability and General Finish

NOTICE.

You can Buy a FIRST CLASS PIANO OR ORGAN CHEAPER

Of me than ANY OTHER DEALER in the business, because I sell at WHOLESALE PRICES FOR CASH, and at a slight advance where sold on EASY INSTALLMENTS. Agents and Piano Tramps who make LARGE PROFITS are requested to open their batteries UPON ME or my INSTRUMENTS at once. The public will soon ascertain it is to THEIR ADVANTAGE to give me a call, and find that MY PIANOS AND ORGANS WILL WEAR AS WELL, keep in tune as long, and SAVE MONEY FOR THE PURCHASER. Don't be fooled or humbugged by anything you hear. "Talk is cheap" (usually.) The man or woman who is talked into paying exorbitant prices, pays very dear. BEST OF REFERENCES GIVEN AND SATISFACTION GUARANTEED.

SMITH'S PIANOS & ORGANS.

In order to introduce THESE MAGNIFICENT PIANOS on this Coast, I have put the prices MUCH LOWER than other FIRST-CLASS MAKERS, and as I do not propose to make any agents, (who generally extort large profits from the consumer) I expect to be severely handled by such persons in the Piano business.

The materials used in their construction are of the VERY BEST kind, and the wood thoroughly seasoned. They are substantially made.

DURABILITY, TONE and the power of MAINTAINING TUNE LONGER than any other piano made, are the characteristics of these instruments.

The greatest possible attention is given to their tone and touch, and I have no hesitancy in offering them to the public as FIRST-CLASS PIANOS in every respect, and warrant them to stand in any climate.
