OPHIR!

WILL STAND THE PRESENT SEASON OF 1879, commencing on April 1st and ending July 10th. He will be at Ashland Tuesdays and at Phoenix Wednesdays; the rest of the week at Manning's stable, in Jacksonville.

DESCRIPTION—Ophir is a beautiful dark chestnut, without mask or spot, 15 hands 3¼ inches high, and weighs 1,200 pounds, of a splendid mild disposition, and will be 10 years old on the 15th day of July.

He has a Record of 2:35.

PEDIGREE—Ophir was sired by the celebrated trotting stallion Kentucky Hunter, he by Broken Leg Hunter, of New York; grandsire, Sorrel Hunter; great grandsire, Old Kentucky Hunter; great-great grandsire, Highlander.

Sorrel Hunter's Dam was a Sir Henry mare from Kentucky, from which the name Kentucky originated the name of Hunter was derived from his English Hunter blood.

Kentucky Hunter's dam (from a Moonshine Mare,) was sired by the trotting stallion Harden Hunter; grandsire, Sorrel Hunter; great grandsire, Old Kentucky Hunter; great great grandsire, Highlander.

This is a correct pedigree of Kentucky Hunter, and makes him about seven-eighths Hunter; or perhaps, better known as Messenger blood, and which has been thoroughly proven to be the fastest and best stock of horses ever introduced into the United States.

Ophir's Dam was sired by David Hill; her dam was sired by Prince Albert, a Messenger owned by William Reynolds, of Colusa County, California. Ophir's dam is now owned in Santa Clara County by Dr. C. L. French; her dam is owned by D. M. Pearis, of Butte County. They are both fine, large and splendid roadsters.

Pedigree of Ophir's Dam's Sire—David Hill was sired by Black Lion; he by David Hill's celebrated trotting stallion Black Hawk; he by Sherman Morgan; he by Justin Morgan, and he by True Britain, who was imported from England and used by Gen'l DeLancey as a charger on Long Island in [illegible] David Hill's Dam was got by Hambletonian Abdallah; he by old Membrino, and [illegible] Messenger. The dam of Hambletonian was [illegible] Kent's mare by imported Bellfounder.

THE IMPORTED PERCHERON STALLION

Pride of Perche. White Rose and foal.

PRIDE OF PERCHE.

WILL MAKE THE SEASON BEGINNING APRIL FIRST AND CONtinue till July 1st: Tuesdays and Wednesdays at the livery stable of W. J. Plymale in Jacksonville, and Monday A M, Thursday and Saturday of each week at my stables near Ashland.

The first imported French stallion that came west of the Alleghanies came into Union county, Ohio, in 1851. This horse was called LOUIS NAPOLEON and showed the great value of this stock. Up to 1869 there were sixty-two more imported into the United States, and in the last ten years there have been five hundred and sixty-six imported. Some counties in Ohio and Illinois give business to from twelve to fifteen imported stallions as well as a number of grades.

The grades of this stock, now coming into the Chicago and New York markets and readily bring from fifty to seventy five per cent. more than the common stock of work horses. The above shows the reputation this stock has where they have had over a quarter of a century's experience with them.

See the money brought into this county by the sale of WHITE PRINCE colts and fillies. There have been forty five head sold and taken out of this county which brought $13,317, an average price of near $296 each. They were mostly sold when under two years old—many of them at weaning time. They were taken to California, Eastern Oregon, Washington and Idaho Territories. Favorable reports have come from all, and in several instances the purchasers have ordered or came and bought more.

WHITE PRINCE has not made a season here since 1873.

Every business man knows that large, well formed horses have always been in demand at good prices. There has been a good deal said that the Percheron stock that I have introduced on this coast at great cost was a failure, a humbug, and did not suit the wants of farmers and teamsters, &c. These parties that give currency and credit to the above are, no doubt, interested in some other stock and never owned or gave the Percherons a trial

Hear what RELIABLE MEN, that are well known in this county, say on this matter:

We, the undersigned, having bred, owned or used colts sired by the imported Percheron horses introduced into Oregon by W. C. Myer, of Ashland, believe this stock to be a VALUABLE ACQUISITION TO OUR STATE, as those bred here all show their origin in a VERY MARKED DEGREE, having a square, solid make-up, with good bone, fine form, kind disposition and good action for animals of their size. Those old enough to work give good satisfaction on the farm or road as team animals, and find a ready market at the highest prices for which work horses are sold. The produce from the half-bloods, colts and fillies, show the Percheron blood.

In view of these facts there can be no doubt that the introduction of the Percheron has and will cause a valuable improvement of our common stock, and add to the financial interests of the country.

S. C Taylor,	John Murphy,	... Chapman,	A. F. Randall,	W. G. Bishop.
E. Gore,	D. Peniger	L. Brandewerd,	J. B. Bunyard	Wm. Justice

I could with the above get like endorsements from parties that have bred or owned young stock from my horses in California, Umpqua and Willamette valleys, Eastern Oregon, Washington, Idaho and Montana Territories and British Columbia.

PRIDE OF PERCHE was selected in France by the same party that brought out old Louis Napoleon. (He then had 23 years experience with this stock) and was purchased from one of the best breeders in France. His produce in this State show him to be a No. 1 stock horse.

Terms--$20 the Season.

ARABIAN BOY and BOBBY BURNS will each serve a limited number of mares and be at my stables.

ARABIAN BOY $35 to Insure. BOBBY BURNS, the Shetland, $15 to Insure

Pasturage 62 1-2 cents per week; will use due care but will not be liable for accidents or escapes.
