The scene leading this biographical sketch is familiar to the people of Oregon and the neighboring states. Mr. Russell was born in Ohio, February 10th, 1815, and learned the hardware trade in his native state. He moved to California in 1849, and located at San Francisco. In 1853 he came to Oregon, and located near the falls at St. Helens, where he engaged in the hardware business. He was a member of the first territorial legislature from Columbia county, and was a representative in the present legislature. He was also a member of the first state legislature.
