republic has had for the last twenty years, has been a Democrat. Every man that shot union soldiers was a Democrat. Every man that starved union soldiers, and refused them in the extremity of death a crust, was a Democrat. Every man that loved slavery better than liberty was a Democrat. The man that assassinated Abraham Lincoln was a Democrat. Every man that sympathized with the assassin—every man that was glad that the noblest president ever elected was assassinated was a Democrat. Every man that wanted the privilege of whipping another man to make him work for him for nothing and pay him with lashes on his naked back, was a Democrat. Every man that raised blood-hounds to pursue human beings was a Democrat. Every man that clutched from shrieking, shuddering, crouching mothers the babes from their breasts and sold them into slavery was a Democrat. Every man that impaired the credit of the United States was a Democrat. Every man that swore he would never pay the bonds, every man that swore he would never redeem the greenbacks, every maligner of this country's credit, calumniator of his country's honor, was a Democrat. Every man that resisted the draft, every man that hid in the bushes and shot at union men simply because they were endeavoring to enforce the laws of their country, was a Democrat. Every man that went over the corpse man that cursed Lincoln because he issued the proclamation of emancipation was a Democrat. Every man who believed that any State could go out of the Union at its pleasure, every man that believed the grand fabric of the American government could be made to crumble instantly into dust at the touch of treason was a Democrat. Every man that helped to burn orphan asylums in the city of New York was a Democrat. Every man that tried to fire the city of New York was a Democrat—although he knew that thousands would perish, and knew that the great serpents of flame leaping from buildings would clutch children from their mother's arms—every wretch that did it was a Democrat. Recollect it! Every man that tried to spread small-pox and yellow fever in the North was a Democrat. Soldiers, every scar you have got on your heroic bodies was given to you by a Democrat. I AM A REPUBLICAN.—Bob Ingersoll.

There are rumors of a narrow gauge railroad enterprise being inaugurated to extend the Dayton and Dallas road to King's valley, and thence untimately to Yaquin bay. Go right ahead, gentlemen, with all such projects; we can stand any amount of such good luck.—"Corvallis Gazette."

All right, Ina. There's a man out at Ottumwa keeps an eating house; he has some sandwiches of about 1492 that he would be willing and glad to exchange for ancient or modern coin. "Hawkeye."

When a white man kills another he is hung; when a red man commits a murder he is treated to a trip to Washington.—"Detroit Free Press". Well, what's the difference! Isn't it Capital punishment in each case!—"Norristown Herald".

SPINNEY will guarantee to forfeit $500 for every case of Seminal weakness or private disease of any kind or character which he undertakes and fails to cure.

MIDDLE-AGED MEN.

There are many at the age of thirty to sixty who are troubled with too frequent evacuation of the bladder, often accompanied by a slight smarting or burning sensation, and a weakening of the system in a manner the patient cannot account for. On examining the urinary deposits a ropy sediment will often be found and sometimes small particles of albumen will appear, or the color will be of a thin milkish hue, again changing to a dark and torpid appearance. There are many men who die of this difficulty ignorant of the cause which is the second stage of seminal weakness DR. S. will guarantee a perfect cure in all such cases, and a healthy restoration of the genito-urinary organs.
