THE IMPORTED PERCHERON 'GEN. FLEURY,' 'ARABIAN BOY,' AND 'BOBBY BURNS.'

GEN. FLEURY and BOBBY BURNS will be kept at my stables, near Ashland, the coming season.

ARABIAN BOY until the 28th day of April, and return the first week in July.

Within the past few years there has been a desperate effort in this and Marion counties, to prejudice the minds of the public against my Percheron Stock; and in order to give this slender more appearance of being so, have destroyed two of my finest draft stallions as ever came to Oregon, with several colts and young horses.

That the public may not be deceived by these base slanders, I will soon publish a circular, giving a few of the many facts in the case, with the high estimation this stock is held in other places, which will be sent on application.

It is well known in this section, of the valuable animals for farm and team use that were raised from the two French horses brought here by Mr. S. COLVER some years ago. They were half-bred, but when breeders can secure the service of a pure-blood horse for a reasonable price they should avail themselves of the privilege.

Some of the finest draft colts at the last State Fair were sired by GEN. FLEURY.

GEN. FLEURY and ARABIAN BOY, \$30 the season; \$30 by insurance. For BOBBY BURNS \$10 the season; \$15 by insurance.

Good Pasture, 50 cents per week; will use due care, but not responsible for accidents or escapes.
