WHY I AM A REPUBLICAN.

I am opposed to the Democratic party and want to tell you why: Every ordinance of secession ever drawn was done by a Democrat.

Every enemy this republic has had for twenty-five years was a Democrat. Every man that starved Union soldiers, refusing them a crust in the extremity of death, was a Democrat.

The man that assassinated Abraham Lincoln was a Democrat. Every man that sympathized with the assassin—every man that was glad that the noblest President ever elected was dead—was a Democrat.

Every man that wanted the privilege of whipping another man to make him work for nothing and pay him with lashes on his naked back was a Democrat.

Every man that raised blood hounds to pursue human beings was a Democrat. Every man that clutched babies from the breasts of shrieking, shuddering, crouching mothers and sold them into slavery was a Democrat.

Every man that impaired the credit of the United States was a Democrat. Every man that swore he would never pay the bonds, every man that swore he would not redeem the greenbacks, every man that impaired the credit of the United States was a Democrat.

Every man that resisted the draft, every man that hid in the bushes and shot at Union men simply because they were endeavoring to enforce the laws of their country was a Democrat.

Every man that cursed Lincoln because he issued the emancipation proclamation was a Democrat. Every man who believed that a state could go out of the Union at its pleasure, every man that believed the grand fabric of the American government could be made to crumble instantly into dust at the touch of treason was a Democrat.

Every man that helped to burn orphan asylums in the city of New York was a Democrat. Every man that tried to fire New York was a Democrat—although he knew that thousands would perish, and that the great serpents of flames leaping from building to building would clutch children from their mother's arms—every wretch that did it was a Democrat.

Recollect it! Every man that tried to spread smallpox and yellow fever in the North was a Democrat. Soldiers, every scar you have on your heroic bodies was given to you by a Democrat. I am a Republican.

El Paso. The sleepy old Mexican pueblo of El Paso will within three years be one of the great railway centers of the continent.

The Southern Pacific is now within 213 miles of it and building at the rate of two miles a day. The Atchison, Topeka and Santa Fe is not far off, and nearing the point at a rapid pace.

The Texas Pacific is also hastening toward it, and has already selected the ground for its immense depots and other necessary works. The line from Guaymas to El Paso by way of Hermosillo has been started at Guaymas, and will be met half-way by the builders from the other end, as they expect, within a year and a half.

The line from Denver, connecting with the Kansas, Colorado and Jay Gould system generally, is pointing Southward and will soon be at the general point of intersection; and a line from El Paso, through Chihuahua and Durango to the City of Mexico, is among the strong probabilities of the next three or four years if the Mexican Congress does not obstruct it through jealousy of American enterprise and political influence.

When all these roads are finished El Paso will be the point where six great trunk lines will meet each other, distributing the travel and trade of half the continent. The town, which now contains no more than 5000 inhabitants and is supported by the narrow but fruitful valley of the upper Rio Grande, promises within half a lifetime, to be a second Indianapolis and to take rank above Denver.—[S. F. Chronicle.]

Now it is a Yankee, Mr. Samuel Bromley, of Mystic River, in the State of Connecticut, who announces his ability to live for ten hours with his nose and mouth hermetically sealed. Where is this thing to stop!

THE CHICAGO "TIMES" (Dem.) says: "Either the bull-dozer, the ku-klux klans, the red shirts and the rifle and sabre clubs must disband, must cease to murther, or the Democratic party will witness such a bloody-shirt campaign as it has not seen since the whipped rebels surrendered at Appomattox."

THE NEW YORK CONTEST.

Views of Gov. Cornell—His Reasons for Expecting a Republican Victory in New York. [Report in the New York Tribune.]

ALBANY, Sept. 6.—Your correspondent accomplished the somewhat difficult task of getting an interview with Gov. Cornell at the executive chamber this morning. The Governor generally refuses to be "interviewed," and hence it is no easy thing to get an expression of his views for publication.

This morning, however, he was in very good humor, and
