London, April 21.—It is understood that the cabinet meeting arrived at no decision indicating a change in the policy in Ireland. The question of renewing the coercion act was not considered.
The bible used in the senate for swearing in senators has been stolen.
It has been used 53 years and every senator admitted in that time was sworn in on that bible and kissed it. The supposition is that it had been taken by somebody as a relic.

London, April 21.—Charles Robert Darwin, the noted scientist, died yesterday. He had suffered for some time from weakness of the heart, but continued to work to the last. He was taken ill Tuesday night with pains in the chest, faintness and nausea, which lasted more or less during Wednesday and culminated in his death in the afternoon. He remained fully conscious until within a quarter of an hour of his death.

Various Causes.

Advancing years, care, sickness, disappointment, and hereditary predisposition—all operate to turn the hair gray, and either of them inclines it to shed prematurely. AYER'S HAIR VIGOR will restore faded or gray, light or red hair to a rich brown or deep black, as may be desired. It softens and cleanses the scalp, giving it a healthy action. It removes and cures dandruff and humors. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed or the glands decayed. Its effects are beautifully shown on brassy, weak, or sickly hair, on which a few applications will produce the gloss and freshness of youth. Harmless and sure in its operation, it is incomparable as a dressing, and is especially valued for the soft luster and richness of tone it imparts. It contains neither oil nor dye, and will not soil or color white hair; yet it lasts long on the hair, and keeps it fresh and vigorous.

L. French; her dam is owned by Dr. M. Reavis, of Butte county. They are both fine, large and splendid roadsters.

Pedigree of Ophir's dam's sire: David Hill was sired by Black Lion; he by David Hill's celebrated trotting stallion, Black Hawk, he by Sherman Morgan; he by Justin Morgan, and he by True Briton, who was imported from England and used by General Delaney as a charger on Long Island in 1777.
