

Democratic papers have given wide circulation to the denunciation of President Arthur, from the "Argonaut," for his vote of the first Chinese bill. Will they kindly publish the following from the same paper: The "Argonaut" remarks:

"Thomas H. Benton was the first American statesman who announced in the Senate of the United States the desirability of Chinese coming to our coast. Buchanan was the first President of the United States with whom a Chinese treaty was made. Reed, a Democratic Commissioner, was the first to negotiate such a treaty. A Democratic Senate was the first to ratify it. Governor Haight was the first Governor who presided at a civic banquet to celebrate the inauguration of unrestricted Chinese intercourse."

HAD TO BEAR IT.—Last week Antonio Rose, ditch tender for the Sterling mining company, killed a small bear which he succeeded in getting on the "kaysus" in pretty good shape but from some cause was obliged to take it off to re-pack it. While taking the bear in his arms to lift it on the saddle, the pony made a flank movement, planted both heels in the bear that covered Antonio's diaphragm, sent them both rolling fifty feet down the hill and broke for home. Antonio put the bear on his back and when he arrived in camp sent to town for a porous plaster nearly the size of his vest and says the next time he uses a bear for a stomach pad everybody wont know it.

STRAIGHT WHISKY.—We clip from the Nevada Daily Transcript of January 26th as follows:

As a great deal has been said about John L. Burns and Davenport whisky in the Transcript, it will not be out of place to mention the fact that Mr. Burns has made one of the most important sales of fine liquors yet effected in the county, to Mr. Mike Hanley of Nevada City.

We understand that Mr. Hanley has made a purchase of some of the most expensive straight whisky that has ever come into the county. John L. Burns, agent for the celebrated "Davenport," has been most fortunate in making such a fine sale to such a responsible gentleman as Mr. Hanley, who has the reputation of keeping the finest liquor in the county. When this invoice of straight whisky arrives Mr. Hanley can look for an increase of trade.

In the Senate, on the 12 inst. The select committee on woman suffrage, by three to two, agreed to recommend the adoption of Lapham's joint resolution by the following constitutional amendment.

Article 15, Section 1. The right of citizens of the United States to vote shall not be denied or abridged by the United States or any state on account of sex.

Sec. 2. Congress shall have power by appropriate legislation to enforce this article.

It is an old saying, that charity begins at home; but this is no reason that it should not go abroad; a man should live with the world as a citizen of the world; he may have a preference for the particular quarter or square, or even alley, in which he lives, but he should have a generous feeling for the welfare of the whole.

This great remedy was discovered by a missionary in South America. Send a self addressed envelope to the Rev. JOSEPH T. INMAN, Station D, New York City.

Now that ladies' bonnets are made of glass, such remarks as those will fall on our ears: "Billie dear, I think you might get me a cut glass bonnet like Mrs. Sprott's instead of making me wear this horrid thing made of common lager beer glass."—"Puck."
