It now looks as if Guiteau will cer tainly hang at the appointed time. It is said that James Van Heise has been mked by the authorities at Washing- of Oregon, for Jospenine County, and to me tem to superintend the affair, and that \$200 have been offered for his services. He is an old hand at the business and makes no blunders: Guiteau has greatly changed. He has lost confidence in Providence and seems de-pressed. His disgusting brave has subsided and he is comparatively quiet. So dollars, costs and disbursements He will doubtless die like the great coward that he is. Some man in Colorado recently wrote him he would pay \$1,000 for the privilege of pulling the saturday the 17th day of June, A. D. 1882,

teaspoonfuls soda, one teaspoonful cream tartar, or one and one-half teaspoonfuls baking powder. I like one tablespoonful of butter added. Beat said county together with the water rights, ditches, flumes, sluices, cabins, belting, baking powder; bake in a long tin on
buttered paper; when done, take out on
the paper onto a board or table; spread

duties. States, cauthes, with jelly. Taking hold of the edge of the paper you can roll without breaking the cake. Care should be taken not to bake the edges of the cake too hard.

Immigrants are landing at the port of New York at the rate of more than 17,000 a week, or over 2,000 per day. In April 67,901 were landed, an increase of 8,153 over the arrivals in the corresponding month of 1881, and this proportion of increase is being kept up.

It is plain that the unprecedented total

Brown, Ludwig Tonn and F. F. Downing, all of Brownsborough, Jackson county, of last year is to be far surpassed in Oregon. 1882, no small part of the increase is due to systematic efforts to stimulate and guide immigration.

The Arisona citizen says: "George Hearst of the San Francisco "Examiner, announces himself as a candidate for the Governsorhip of California. Mr. Hearst is a mining man of large means, and can be relied upon to tap a good sized bar'l. It will take a pretty good man, financially, to see him. He is driving all the small bar'l Democratic politicians off the track for the nomination."

#### Quinine and Arsenic.

Form the basis of many of the Ague remedies in the market, and are the last resort of Physicians and people who know no better medicine to employ, for this distressing complaint. The effects of either of these drugs are destructive to the system, producing headache, intestinal disorders, vertigo, dizziness, ringing in the ears, and depression of the constitutional health.

Aver's Ague Cure is a vegetable discovery, containining neither quinine, arsenic, nor any deleterious ingredient, and is an infallible and rapid cure for the suggest of the sug and is an infallible and rapid cure for witnesses to prove his continuous resi-every form of Fever and Ague. Its effects are permanent and certain, and no injury can result from its use. Besides being a positive cure for Fever sides being a positive cure for Fever and Ague in all its forms, it is also a superior remedy for Liver Complaints. It is an excellent tonic and preventive, as well as cure, of all complaints peculiar to melarious, marshy and miasmatic districts. By direct action on the Liver and biliary apparatus, it stimulates the system to a vigorous, healthy condition.
