

The London "Telegraph" relates the following curious story: At an evening party in Kelheim a few weeks ago the conversation happened to turn upon kissing, and the question arose how many salutations of this class could be exchanged between two ardent lovers within a certain space of time. As usual, opinions differed, and the discussion waxed warm. Presently a fiery youth offered to bet anybody present the German equivalent of a ten-pound note that he and his betrothed would kiss one another ten thousand times within ten hours, provided they were permitted to partake of some slight refreshment at intervals of half an hour during the performance. His wager having been accepted and the money posted, the affianced couple addressed themselves to the achievement of their congenial task. At the expiration of the first hour their account stood credited with two thousand kisses. During the second they added another thousand, and during the third, seven hundred and fifty to that number. Then, pitiful to state, they both broke down. The youth's lips were stricken with cramp, and the maiden fainted away. Later on in the evening she was compelled to take to her bed with a sharp attack of neuralgia. An even more distressing result ensued from this surfeit of tender endearment, for it led to the breaking off, by mutual consent, of a hopeful matrimonial engagement. Young lovers should keep this sad tale in mind and moderate their transports, for, strange as it may seem, Dan Cupid himself may be kissed to death.

Mrs. Scoville, sister of Guiteau, has given to the press for publication a copy of a petition addressed to President Arthur, asking for a stay of execution in the case of Chas. J. Guiteau until a commission of competent physicians, acknowledged by the fraternity to be above adverse criticism shall be appointed, and examine into the question of insanity.

No one loves to tell of scandal except to him who loves to hear it.

Quinine and Arsenic.

Form the basis of many of the Ague remedies in the market, and are the last resort of Physicians and people who know no better medicine to employ, for this distressing complaint. The effects of either of these drugs are destructive to the system, producing headache, intestinal disorders, vertigo, dizziness, ringing in the ears, and depression of the constitutional health. AYER'S AGUE CURE is a vegetable discovery, containing neither quinine, arsenic, nor any deleterious ingredient, and is an infallible and rapid cure for every form of Fever and Ague. Its effects are permanent and certain, and no injury can result from its use. Besides being a positive cure for Fever and Ague in all its forms, it is also a superior remedy for Liver Complaints. It is an excellent tonic and preventive, as well as cure, of all complaints peculiar to malarious, marshy and miasmatic districts. By direct action on the Liver and biliary apparatus, it stimulates the system to a vigorous, healthy condition.

Piles! Piles! Piles!

A SURE CURE FOUND AT LAST!

NO ONE NEED SUFFER!

A sure Cure for Blind, Bleeding, Itching and Ulcerated Piles has been discovered by Dr. William (an Indian) called Dr. William's Indian Ointment. A single box has cured the worst chronic cases of 25 or 30 years standing. No one need suffer five minutes after applying this wonderful soothing medicine. Lotions, instruments and electrics do more harm than good. William's Ointment absorbs the humors, allays the intense itching, (particularly at night after getting warm in bed) acts as a poultice, gives instant relief, and is prepared only for Piles, itching of the private parts, and for nothing else.

Read what the Hon. J. M. Coffinberry of Cleveland says about Dr. William's Indian Pile Ointment. I have used scores of Pile Ointments, and it affords me pleasure to say that I have never found anything which gave such immediate and permanent relief as Dr. William's Indian Ointment.
