

LITTLE BY LITTLE.—Little by little the railroad moves on toward the south, each day the construction train is dumping material a little further on. Chinamen are almost constantly arriving to be put at work on the grades. The work of laying track goes on without interruption, and construction trains will run to Oak Grove, 14 miles south, in a few days. The bridge across the South Umpqua at Myrtle Creek is finished, with the exception of the two main spans, and the false work is all up for these. The bridge work aside from this, which was contracted by Miller and Comstock, has nearly all been finished, and will all, together with the remaining work on the bridge, be finished according to the contract by the 15th of July. This contract includes all bridge and carpenter work between Roseburg and Ridge, 33 miles, and it is expected that the track layers will be behind the bridge builders, only as necessary requires. [Plaindealer.]

At the regular meeting of Ashland Lodge No. 66, A. O. U. W., on Wednesday evening, the following officers were elected for the ensuing year: G. F. Billings, M. W.; B. F. Roeder, Foreman; A. W. Fish, Overseer; A. Lamb, Recorder; I. W. Barria, Receiver; G. S. Butler, Financial; J. W. Alnut, Guide; Thos. Martin, I. W.; L. B. Tucker, O. W.—[Tidings.]

The following gives the majorities of the several leading candidates in Lake county: Fenton's majority 108; Smith, 130; Shattuck, 116; Weatherford, 128; Abraham, 140; Worthington, 94; Cornell, 125; Kent, 132; Moss, 88; Hanks, 89; Hatton, 106; McCallen, 224; Miller, 96; Abshire, 113; Phelps, 57; Vernon, over Dunlap, 47; over Hayes, 64.

NAME FOR A PLAY.—On the night of the first performance of "The Woman in Red," at a country theater, the house was packed, much to the surprise of the managers, who had not found the townfolk very eager for theatricals. She discovered the next day that the play had been misprinted "The Woman in Bed."

Mr. Moody's majority is 1,295; Karhart's, 2,391; Hirsch's, 2,149; Lord's, 1,238; George's, 3,181. It will be observed from these figures that there was considerable promiscuous voting done at the last State election.

HALL'S VEGETABLE SICILIAN HAIR RENEWER is a scientific combination of some of the most powerful restorative agents in the vegetable kingdom. It restores gray hair to its original color. It makes the scalp white and clean. It cures dandruff and humors, and falling out of the hair. It furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft and glossy, and is unsurpassed as a hair dressing. It is the most economical preparation ever offered to the public, as its effects remain a long time, making only an occasional application necessary. It is recommended and used by eminent medical men, and officially endorsed by the State Assayer of Massachusetts. The popularity of Hall's Hair Renewer has increased with the test of many years, both in this country and in foreign lands, and it is now known and used in all the civilized countries of the world.

Piles! Piles! Piles!
A SURE CURE FOUND AT LAST!
NO ONE NEED SUFFER!
A sure cure for Blind, Bleeding, Itching and Ulcerated Piles has been discovered by Dr. William, an Indian Remedy, called Dr. William's Indian Ointment. A single box has cured the worst chronic case of 25 or 30 years standing. No one need suffer five minutes after applying this wonderful soothing medicine. Lotions, instruments and electricity do more harm than good. William's Ointment absorbs the tumors, allays the intense itching, (particularly at night after getting warm in bed) acts as a poultice, gives instant relief, and is prepared only for Piles, itching of the private parts, and for nothing else.
Read what the Hon. J. M. Coffinberry of Cleveland says about Dr. William's Indian Pile Ointment: I have used scores of Pile Cures, and it affords me pleasure to say that I have never found anything which gave such immediate and permanent relief as Dr. William's Indian Ointment.
