## NOTICE.

Land Office at Roschurg, Ogn. June 30, 1880.

To all Whom It may Concerns Notice is hereby given that I have designated the OREGON SENTINEL as the paper in which I shall bereafter publish all preemptions, homestead and applications for mining patents for lands lying near Jacksonville, Jackson county, Oregon. W. F. BENJAMIN, Register.

A Good Sign .- The largest amount of business ever transacted in the Jacksonville telegraph office was done during the month of June, just ended. This includes both the number of messages handled and the cash receipts and shows a healthy condition of business affairs.

NARROW ESCAPE.-While hauling hay near Rock Point on the 4th Mart Burkhart's team got frightened at the heavy thunder during the storm on that day causing a runaway, and falling off, the wheels of the wagon passed over Mr. Burkhart's head, breaking his jaw and also bruising him up considerably otherwise. At last accounts he was doing well, however, without any danger of fatal results.

STAGE ACCIDENT .- The south bound stage that left here last Sunday met with an accident while going down the Siskiyou mountains by upsetting and will remember it. throwing all the sassengers over the grade. Mr- and Mrs. Baum were passengers on the stage at the time and the latter had an arm broken by the fall. No blame can be attached to the driver as the accident was caused by a wild and fractious team.

Installation.—The new officers of Oregonian-Pocahontas Tribe, I. O. R. M., were installed by H. K. Hanna, D. D. G. S., last Thursday evening. The following is a list of those installed; Sachem, E D. Foudray; J. S., John Roleson; C. of R., C. W. Savage; K. of W., Henry Pape, Sr.; 1st Sanap, Sol Wise; 2nd Sanap, E. SOMETHING WRONG. - On Friday last and services will be held in the Cathoone wagon load of emigrants camped near Chayner's bridge on Rogue River, while on their way north, consisting of Henry Bedford and Chas. Hend ricks, the latter accompanied by his wife. Report says that after supper the two men went in swimming to gether, since which time nothing has been seen of Hendricks, and Bedford reported him as baving drowned while bathing in the river. His body has not yet been recovered, and what seems strange about the affair is that the family and property started northward pext morning without making any ef fort to recover the body. Some sus pect foul play while others think Hendricks wants the impression created that he is dead. Hendricks hails from Chico and Bedford from Adin, Cal. Colusa Lodge A O. U.
