MISCELLANEOUS. "The Siamese system of hazing," says the Rochester "Post," "is to allow each Siamese college student to have two wives." Miss Parloa says tough meat is healthiest for invalids.

The wives of most of the Mollie Maguire hanged in Pennsylvania a few years ago are keeping dram shops in the neighborhood of their husbands' old homes.

A Kentucky school-master got a verdict of seventeen dollars the other day in a suit brought against the trustees for damages from a cold caught running after them to get his pay.

Imports of macaroni are said to be increasing very rapidly, but whether the fact is due to a growing love for it among our people, or to the large number of Italian gentlemen laboring on railroads, we are not prepared to state.

Major Gale Faxon bought a horse from the pastor of an Austin church, and shortly after the following conversation was heard: "You have swindled me with that horse you sold me last week."

A green-looking "upabovian" traveling with a wagon, took in a number of Lebanon (N. Y.) boys very neatly the other afternoon.

Miss Emily Faithful says of American women: "I am satisfied that most of them have a pretty good time of it."

The annual report issued by the mint bureau upon the production of gold and silver for the calendar year of 1882, is now ready for the press. It will be a volume of about 600 pages, giving in detail the output for each state, territory and mine in the United States.

The project of a tunnel between England and France is now the subject of inquiry by a parliamentary committee. It is agreed that there are no engineering difficulties which cannot be readily overcome.

The report of the Bureau of Statistics shows that the number of immigrants that arrived in the United States in March was 33,730 against 65,234 in March, 1882.

The following special to the "Oregonian" from San Francisco throws some light on the report Capt. Besse will make to the stockholders of the proposed Oregon Southern Railway and Transportation Company.

A prisoner who was to be hanged received a pardon just as he was getting into bed the night previous to the day appointed for his execution.

Wool being one of the three leading staples of the Pacific Coast says the "Commercial Reporter," specially of the Northwest, its financial status in the home export market and quotations in the manufacturing centers.

The amount which has reached Portland this Spring by rail and other transit from all sections, mainly from the east of the mountains, is about one million pounds, nine-tenths of it being withheld from sale and going into warehouses in this city and San Francisco.
