FOURTH OF JULY BALL .- A social in Jacksonville on Wednesday even- quarters at Rock Point. ing, July 4th. Music will be furnished by the Jacksonville Suring.
Tickets \$1.25. A cordial invitation is extended to everybody to come and enjoy themselves.

REDUCTION IN PRICES -John Miller. at the Hunter's Emporium, is selling hay forks for \$1 each; scythes and snaths, \$1 75; grindstones, 61 cents per pound; and all other goods in his line 10 per cent. less than ever before sold in Jacksonville. Remember that Mr. M.'s goods are of the best and he tate Agents, Ashland, Oregon. does just as he agrees to.

GRAND JURY .- The following gentlemen were selected as grand jurors for the June term of Circuit Court: James McDonough, foreman, L. Chappel, R. V. Beall, I. Phipps, P. Donegán, Geo. W. Stephenson and W. B. Kincaid Up to last evening they had returned three "true bills" as follows: Against Michael Spahn for larceny, J. K. P. found. Brown for rape, and against John Doe for murder.

ACCIDENTS - A twelve year old son of D. Bloomer living near town, was cheap? thrown from a horse this week and had a leg broken. Dr. Aiken was been promoted and is now Brigadier summoned immediately, who set the General of the first brigade State fractured limb and the boy is now militia.

On Tuesday of this week Miss Alice Berry was also thrown from a horse and received some severe bruises but plate of his delicious ice cream. Open week will be used in making examinnone of a serious nature.

IMPORTANT ENTERPRISE. - Mr. Pomeros, representing the Oswego iron the lowest. works in Clackamas county -accompanied by five experienced miners-ar now engaged in making a thorough everything will be ready for grinding continued. Col. John E. Ross is now test of the iron deposit on Rogue this year's crop. River. If it proves as valuable as the industry will prove a valuable one to in the timber line. this section. We hope to chronicle their success.

IMMENSE YIELD .- Fred. Barneburg, of Eden precipct, a short time since sheared 26 head of graded merino average of over 15 fbs, per head. One two year old Spanish Merino yielded Court now in session. 23 lbs. Mark Conger of the same place sheared a Spanish Merino buck getting 274 pounds of wool. The lat ter thinks he made a good investment when he introduced these sheep in this valley not long since, as this immense yield of wool will go to prove.

DELICATE OPERATION .- Dr. E. P. Geary performed an operation on the eyes of an eight year o'd son of Mrs. Spencer of Butte creek last week by ter-Mrs. Judge Watson-who is still which the patient secured sight after on the sick list in that city. having been born blind. At last accounts the child could easily recognize and distinguish objects and after some strengthening of the eyes the Dr. hopes State University having arrived. soon to have the little fellow in such a condition that he can attend school. The case attracts considerable attention this valley died near Modesto, Cal., on exceedingly well. He also reports in the locality where the patient lives.

PLEASANT RE-UNION .- Mr. A. S. Johnson, President of the M. E. Sun- Atkinson of Ashland returned from day School of this place, gave his pu | Portland yesterday, where they had pils a complimentary strawberry festival at his residence on Tuesday after- of Masons. noon of this week at which about forty of the scholars participated, and from the way the little ones enjoyed the treat it cannot be doubted that some good was done. A number of the eachers and friends of the school were also present, who seemed to enjoy the spread. The SENTINEL force returns Geary-who is reported very low and thanks for compliments received.

A PREDICAMENT. - The telegraph Being a soldier be was not allowed to snugger, than any other bugger's. leave his post of duty, with chances of Boyle & Miller will soon open a tin here and testify before the grand jury, same kind of a store at that place.

June 12, 1883. The new road to Crescent City is said to be a good piece of work and a much needed want supplied, but there are two things that are working against t of being as great a benefit to the country as it should be, there being such a low price for freight and such costly board and horse feed. For instance: Very ordinary hay (squirrel grass) is fifty cents per head, for horses, and meals fifty cents, counting time of trip from sixteen days, taking the average of eighteen days for one man an i two horses—including oats and toll is about sixty dollars and the highest freight being only about three cents-so increase or lesseen the time and where is the wages of the teamster! Here then are the two draw backs-both station keep Sample Rooms &c. in Jacksonville Ore. ers and merchants are afraid they will not make it all and hence they are the ones that are going to cause the road to be an elephant to the proprietor and but little benefit to the country. If the road is to be a benefit to the immigrants are continually coming in smooth and serrated edge sections at 15 country the merchants must raise freight and station keepers lower expenses. These statements I have from JULY FOURTH, 1883. two teamsters, one quite friendly, the other not so on account of high ex penses-but both reliable. I have een in this country eleven years and all the time the cry has been, "if we only had communication with the outer world what a country we would have,' but I have noticed in all this time that when any project was broached that would better the condition of its citi zens it was invariably cried down for fear that one place might get a little more benefit than another, the result being that every project failed and Articles of incorporation of the Ore- through nothing else than jealoulsygon Southern Improvement Company, comprising as incorporators Donald Maciay M.
