JACKSONVILLE .

SATURDAY, AUGUST 25, 1883.

SELLING OUT .- Those desiring any thing in the line of merchandise will do well by calling on Barruch Fisher before going elsewhere as he is closing out his stock at cost. A trial will convince you all.

Notice. - A large assortment of the celebrated New Home sewing machines, the best and cheapest in the market, have just been received at E "C Brooks' store. Call and examine them before purchasing elsewhere. \*

FOR SALE .- Contemplating removal from Jacksonville, L. Solomonoffers hiresidence on California, St., an excellent piece of property, for sale cheap; also a good assortment of household and kitchen furniture. Give him an early

I will take waest delivered at any of the mills at one dollar per bushel from those owing me. Thos knowing themselves indebted need not be backward in accepting this easy J. NUNAN. \* offer. August 11, 1883.

HEAVY BLAST .- On the railroad grading round the bluff at Dry Diggings, south of Grants Pass, a ton of powder was exploded at one time last week. The shock was light but an immense body of gravel was precipi tated into the river.

FALL TERM.—The fall term of St. Mary's Academy will begin on the 3rd day of September and the patrons of this excellant institution will be ad vised accordingly. The musical tui tion at St. Mary's is particularly good and parents should take advantage of

PORTLAND BUSINESS COLLEGE .-This well-known institution of learning, under the management of Prof. A. P. Armstrong, formerly of this place, is continually gaining in popularity and has pupils from every por tion of our State. We are glad to their of the prosperous condition of that school as it is deserving of a liberal support.

PIONEERS RECKION -- President E. K. Anderson of the Southern Oregon Pioneer Society has fixed Thursday Sept. 13th as the day for the next an nua reunion. The meeting is to be at Ashland and members are respect fully reminded of the importance of bringing the annual fee of one dollar. The programme will be published in due time. Prof. M. G. Royal has been selected as the orator for the occasion.

OUT IN THE WORLD -Wm. Moore for the past three years employed in the revenue collector will find him there. Sexriver office is out in the big world in quest of a facture diving gone to Portland on M snday. Those who look in his honest, manly face will bear us sout in saving that his correct habits and sound principles will make friends for him ever-where he goes. We thope "Billy" may prosper as the demerves and, some day, retern a million

OREGON VIEWS .- As soon as the stunnels are completed north of here Mr. Frank Abeli, the noted artist, will stake views of all the picture que points on the O & C. Railroad from Roseburg to the summit of the Siskiyou mountains. For this purpose, he will be furnished transportation with a hand car and, from his well deserved reputa | cure bargains. tion, we expect to see faithful pictures | Veit Bentz is engaged in peddling of the wild but beautiful scenery along the line of the road.

FARMERS ATTENTION .- G. Karewski is now prepared to take contracts for cutting grain with his improved ma chinery in any parts of the county He has already done some work for Win Ryben, Jas. A. Cardwell, Nick Ficke, V. Mitche land Col. Maury, and refers to them as to the manner in which ut was done. He c'aims that he can cut grain lower than can be reached with any header and stands ready to prove it to all who doubt.

Good Idea. - Cronemiller & Birdseye have just finished a heavy ball and premises. He means business and is lew prices, and making exact change whim strikes them. -chain for the use of the town, the nuthorities having determined that who neglects this warning. "drunks" and other offenders shall no longer have a soft thing. The intention is to make all, who are unable to pay their fines, work on the public streets and thus pay for their board while serving out a sentence. Had this course been adopted years ago the town treasury would have been richer than it is.

BABIES WANTED .- That's nothing strange -everybody wants babies except crusty old bachelors but, this time at E. C. Brooks' drug, watch, clock, Abell the photographer wants them- and jewelry store. His machines are twenty per day-in order to take life a little finer and his prices a little I'ke pictures of the little sweets. His snugger, than any other bugger's. speciality is taking children's pictures and those fortunate enough to have their children's pictures taken during his short state ill find them finished in the highest style of the art. A look at his specimen copies at Mr. Britt's gallery will be sufficient proof of his ability.

LARGE DITCH PROJECT .- Mr. J. S. Howard, one of the incorporators of returned from Klamath county having and teachers besides assistants. completed the survey of the ditch. The water is to be taken from Big Klamath lake near the head of Link river and, for the first eight miles it will be twenty five feet wide by two and a half feet deep. At the end of the eight miles the ditch will divide and together with its branches will be forty miles in length. The cast of the That is a large supply but he don't that total blindness will result. We wrongful and damaging comment very extensive tract of good land will be only wants to take their pictures but that kind of warfare is brutal and girls would retain a pure reputa ion be made very valuable by the immense the babies down here being so much it should be enquired into by the next they must protect it by maidenly consupply of water at command.
