The youthful emigrant who has been the philanthropic purpose of giving the worn with care. While sadly thinkorigin of the names of the rivers, ing of business debt, old Morpheus creeks, and places in southern Oregon, slowly around him crept; and sleeping, met from considerable of a rebuff from he dreamed that he was dead, from the pen of Hon. J. W. Nesmith, in trouble and toil his spirit had fied, and ing the errors in which the youth had peaceful rest of his cow hide sole. As fallen in reference to the names of Jo- be wandered about among the shades sephine, Jump-off Jor, Grave creek that smoke and sporch in the lower and Grants Pags. Mr. Nesmith states hades, he slowly observed an iron door, DEALER IN ALL KINDS OF AGRI. that the first emigrants came to Crethat creaking hung on hinges ajar, but kinds and a general assortment of shell gon by the southern route in 1846. the entrance was closed with a red hot A party of Missourians encamped up- bar, and Satan himself stood perping on the stream now called Grave creek, out, and watching for travelers therewhere a young lady by the name of about, and thus to the passing printer Crowley died. Her friends made a spoke: "Come in, my dear, it will rough coffin out of a wagon bed and cost you nothing, and never fear, this buried her in a deep grave on the is the place where I cook the ones who banks of the creek, under the shads of never pay their subscription sums; for a pine tree. In 1848 a party of 32 through in life they may escape, they persons, of which Mr. Nesmith was of will find when they're dead it is too the number, started for the gold fields late; I will show you the place where of California. Some of the number I melt them in with red hot chains knew the location of Miss Crowley's and scraps of tin, and also where I grave and visited it. The ladians comb their heads with broken glass and Pishing Tackle, had found the grave and opened it and melted lead, and if of refreshments having nothing but their hands and they only think, there's boiling water sticks to dig with, had made an im- for them to drink, there's the red hot mense pit in the soft caving earth. grindstone to grind down his nose, and The hole they dug was about 25 feet the red hot rings to wear on his toes, in dismeter at the surface, and ten and if they mention they don't like feet deep. They called the stream fire, I sew up their mouths with red Grave creek, as they knew of no other hot wire; and then, dear sir, you should name for it. Mr. Nesmith says: see them squirm, while I roll them over "The next time I saw the Grave was to cook to a turn." in September, 1853, when I went in With these last words the printer DR.

party of packers and miners, aided, I auckle and grin of the fate of those think, by Fitzerald's dragoon, had who save their tin and never pay the fought the Indians near the Grave printer. house, as Harkness and Toogood's place was called. The carcasses of the defunct aborigines were thrown into the still open pit that the Indians had dug in the disinterment of Miss Crowley. I stood upon the bank and looked down upon the festering mass of "good Indians," out of which stack arms, heads or legs, in an advanced state of decomposition. The sight was not pleasant and the odor still less so. As I walked away, holding my ness, I thought there was poetic justier

to phling the carcages of sed devils int a pit dug by their own unsuit of their neft. bands, in and concluded that ...ous schemes, called the atream . we had properly Mr, Neer .. Grave creek."

...th states that the exploit .icLaughlin, from which Jump-Joe takes its name, was in 1837. That McLaughlin died in Vancouver in December, 1849, and consequently was not fighting Indians or prospecting in southern Oregon, as "Proneer," says, "away back in the '50's." He says that to his certain knowledge the stream was called Jump-off-Joe in

small Farms.

living on it. When they have ence but a set of shelves, four feet long learned that it is not economy to own and eight inches wide, placed in a rack more land than they can till in the five inches apart, with auger holes seed.

JOHNSON pay for the money expended in keep- end of the eggs and hold them upright. ing it free from taxes, weeds, and oth- In this position the yolk will not settle er encumbrances, they will have solved upon the shell, and that, together with the problem of ease in a farmer's life. the free circulation of air around them The happiest and thriftiest farmers we was the reason given for the fresh which was made to count. On the be easily tested. other hand, the farmer who has so many broad acres that he cannot walk over them daily, where rods of fence corners are never cultivated or made of any use, lives a life of anxiety and worry. His taxes are heavy and his crops light. He cannot give reasonably thorough cultivation to so much land. Now, if the farmer who ewns one hundred acres of land will sell half of it and expend the money received for it in cultivating the other fifty, getting blooded stock and poultry, fer. Distilling Company tilisers, etc., he can make each acre produce as much as two acres are doing now. His taxes will be less, his cares less, and his gains vastly greater .- "American Farm and Home.

Writing up the country about Coquille, Oregon, a correspondent of the "Herald" says: It cant be seen by this imperfect description, that this part is immensely rich in natural resources-richer, it is claimed, than any other section of the State. It is sadly needing capital and industry to develope it into one of the most prosperous sections of the world. Capital could find no more safe place of paying investment than here. It is needed to build vessels and mills to place our great wealth on the markets of the world; to open and develope our rich

### SPINNEY

No. 11 Kearny Street,

YOUNG MEN

Who may be suffering from the effects of youthful follies or indiscretion will do well to avail themselves of this, the great est boon even bout at the alter of currening bumants.

U. S. MAIL LINE. humania DR SPINNEY will guarantee to forfeit \$500 for every case of Seminal Weakness or private disease of any kind of character which he undertakes and MIDDLE AGED MEN.

There are many at the age of thirty to sixty who are troubled with too frequent evacuations of the bladder, often accompanied by a slight smarting or burning sensation and a weakening of the system in a manner the patient cannot account for. On examining the urinary deposits a ropy sediment will often be found, and sometimes small particles of albumen will appear, or the color will be of a thin milkish hue, again changing to a dark and torpid appearance. There are many men who die of this difficulty, ignorant of the cause, which is the second stage of seminal weakness. Dr. S. will guarantee a perfect weakness. Dr. S. will guarantee a perfect cure in all such cases, and a healthy restoration of the genito urinary organs.

Office Hours—10 to 4 and 6 to 8. Sundays, from 10 to 11 A. M. Consultation free. Thorough examination and advice,
