

REPUBLICAN COUNTY CONVENTION.

A Republican County Convention is hereby called to meet at the Court House at Jacksonville, on Saturday, April 19th, 1884, at 11 o'clock a. m. for the purpose of electing delegates to the State Convention to be held in Portland, April 20th, 1884 and attending to such other business as may come before the Convention. It is recommended that primary meetings be held in the several precincts at the usual place of voting on Saturday, April 13, 1884 at 12 o'clock p. m. The several precincts of the county will be entitled to one delegate, and one for every 10 votes and fraction of 5 or over, based upon the votes cast for M. C. George, member of Congress at the June election 1882, which gives the following representation:

Table with 2 columns: Precinct Name and Number of Delegates. Includes Ashland, Little Butte, Applegate, Leland, Big Butte, Manzanita, Chimney Rock, Pleasant Creek, Eden, Rock Point, Fran's Creek, Sterlingville, Flounce Rock, Table Rock, Foot's Creek, Uniontown, Grant's Pass, Willow Springs, Jacksonville.

The Republican voters of the State with regard to past political differences who are in favor of elevating and dignifying American labor, giving free popular education to the masses of the people, effectually protecting all human rights in every section of our common country and who desire to promote friendly feeling and permanent harmony throughout the State by maintaining a government pledged to these objects and privileges are cordially invited to unite in selecting delegates to the Republican State Convention.

MERRITT BELLINGER, Chairman. W. H. ATKINSON, Secretary.

ENTERTAINMENT.—The Catholic ladies will have a sociable at St. Mary's Academy on April 24th for the benefit of the Catholic Church.

WANTED.—A good girl to do general house work for a small family. Light work and good wages. For particulars enquire at this office.

A CARD.—The undersigned desires to publicly express their thanks to the many kind friends who assisted them in the last illness of their little daughter. MR. & MRS. FRED LUY.

MAY DAY BALL.—Mart Hurst will give a party at his home on Antelope on the evening of the 1st of May and extends a cordial invitation to all to come and have a good time. Tickets, \$2.50, which will also include horse feed for those who come from a distance.

JACKSONVILLE DELEGATE.—T. G. Reames, Henry Klippel, W. J. Plymale, D. Curtis, D. R. Jones, K. Kubli, H. K. Hanna, Fred Grob and Wm. Bybee were elected delegates to the Democratic county convention to meet to-day. They are all of the anti-Neil side of the house.

TEMPERANCE LECTURE.—Mrs. Leavelle, Superintendent of the Woman's Christian Temperance Union for this coast will lecture in the Presbyterian Church on the evening of Friday, April 13th. She is highly spoken of by the press in the cities where she has delivered lectures and a good audience ought to greet her here. A collection will be taken up at the close of the lecture.

LICENSE DENIED.—Ed. Morgan of Phoenix made application to the County Commissioners this week for a renewal of his license to sell spirituous liquors in less quantities than one quart but a remonstrance was also put in with more names than were on the applicant's petition and the license was denied by the Court. There were 117 names on Morgan's petition and 124 on the remonstrance.

NEW PRECINCT.—Residents of Medford are making an effort to get a district of their own for school and voting purposes. They ask for so much territory, however, that they came near taking the Court House away from us and a remonstrance against taking anything from Jacksonville precinct was circulated. The petition asks for a portion of Jacksonville, Eden and Manzanita precincts and would be one of the largest in the county.

ARRESTED.—Chas. W. Keaton was arrested this week by Sheriff Jacobs and J. N. Thacker of W. F. & Co's. detective force and charged with the crime of robbing the stage this side of Grant's Pass in January last. Two other parties are also suspected but no further arrests have yet been made. Mr. Keaton has lived here several years and has always been looked upon as a quiet and honest young man and we hope he can clear himself of this charge. His preliminary examination was commenced before Justice Huffer yesterday afternoon but had not been concluded when we went to press.

SERIOUS ACCIDENT.—Railroad agent Cunningham at Medford sends us the following item from that place: While the gravel train was passing through Medford last Thursday Mr. Westrop's horse, which was hitched to a buggy, took fright and started to run away. Messrs. Egan and Westrop each caught hold of the horse and tried to stop him but failed. Mr. Egan then jumped in the buggy and Westrop got on his side against a bank. The horse kept on and completely demolished the buggy. Mr. Westrop was cut around the head and face, Mr. Egan getting some of his ribs broken in the fall. Dr. Geary was immediately called and thinks Egan is not fatally hurt but cannot tell just at present. Later reports say that he is getting along all right.

Of late Portland has received some hundreds of boxes of apples from Jacksonville county. These have sold for a very high price. Wine Saps \$2.00, Yellow Newtons \$2.50, and choice lots \$3.00, many apples came in sacks. Tons of dried apples came in sacks, because seasoned lumber was not to be had.—"Willamette Farmer."

An injunction has been served upon all the Sheriffs of Oregon, by order of Judge Deady, restraining them from collecting the tax of the Dundee mortgage trust investment company, and commanding them to appear before his honor on May 1st. That company has \$169,919 of mortgages in Marion county alone, or about \$2,378 of taxes.—Salem "Statesman."

We understand there were twenty-eight barrels of whisky shipped to this port on the last trip but one of the Crescent City, and on the last trip five more came up. Several sacks of flour were also shipped, it is alleged, but this last must certainly be a mistake, as we cannot conceive how so much bread can be consumed in a small town.—"Crescent City Record."

Portersville, Cal., April 10th, 1882.—Mr. Robt. S. Ammen—Sir: I have been selling your valuable Cough Syrup for the last twelve months. The past winter we had the worst epidemic of measles, whooping cough and colds I ever saw. Ammen's Cough Syrup sold better than any cough medicine I had in the house. Expect to all ways keep a good supply in my store. Respectfully yours, P. F. CHAPMAN Druggist.

Writing from Oakland, Oregon, to the Roseburg "Independent," a correspondent says: We understand that rich discoveries have been made near this place of valuable silver mines. However, the parties making the reported discovery are mum, and we are not able to make an authentic statement, but we notice that several parties have been moving in the direction of the mining district, loaded down with provisions and mining implements, which indicates that there is something in the wind.

Writing from Rogue river valley to the Independence, Oregon, West Side, a correspondent says: The staple products of the country consist of wheat, corn, oats, barley and fruits. It is claimed that this is a good corn producing country as either Iowa, Kansas or Nebraska. Under good tillage the usual yield of corn is from fifty to seventy bushels per acre. Peaches, apricots and grapes flourish very finely here. The day is not far distant, in my opinion, when viticulture and peach raising will be the chief industry of this valley, the climate and soil being particularly adapted to the successful cultivation of all kinds of fruit except the citrus varieties. A forty acre peach and grape farm will yield a larger income than most grain farms of 160 acres. The price of land ranges from \$5 to \$50 per acre, owing to its fertility and quality of soil, etc. Good grape growing land can be purchased for \$5 to \$20 per acre.

LECTURES.—J. W. Webb a well-known temperance lecturer from California is here in the interests of that cause and delivered two very interesting lectures here this week to appreciative audiences. His further appointments in this county are as follows: Ashland, at the Presbyterian church, on Saturday, April 12th, and on the following day at 11 o'clock a. m., and 3 and 7 p. m.; Phoenix, on the 14th and 15th; Williams creek, the 16th; Murphy, the 17th; Kerbyville, the 18th and 19th; Waldo, 20th and 21st. Friends of temperance are requested to make the necessary arrangements.

GOT CAUGHT.—A young man named James Watkins, who has been driving the Butte Creek stage for some time past, was arrested near Waldo last Wednesday by Sheriff Jacobs and charged with the larceny of \$100 entrusted to his care by R. H. Brown of Eagle Point who gave him the money to deposit with C. C. Beekman of this place. He was brought back on the Crescent City stage Thursday night and is now in jail awaiting a preliminary examination to be held to-day.

HORSE RACE.—Another horse race has been arranged to take place at Phoenix next Wednesday for \$800 a side between Hop-picker and the Loft-up horse. The distance is 500 yards and Hop-picker is backed by the railroad boys while the Ashland sports put up on the other.

ATTENTION EVERY FARMER.—Be fore ordering mowers, headers, rakes, harvesters and other heavy machinery call on Bilger & Mangly and see what they will do for you. They are permanently located and will guarantee satisfaction.

ARE YOU MADE miserable by indigestion, Dizziness, Loss of Appetite, yellow skin? Shiloh's Vitalizer is a positive cure. E. C. Brooks, agent.

Who is the Jacksonville reporter of the Portland "Mercury" is what now agitates the public mind. One party who has a personal grievance made a slight mistake the other day when he submitted his little article to the supposed correspondent. He tackled the wrong man.

Taking advantage of the two weeks vacation B. E. Beekman and W. W. Cardwell returned from the State University at Eugene City and are paying parents and friends a visit here. Frank Huffer will accompany them on their return next week and all the boys expect to graduate next term.

THE COMING LADY LECTURER.—Those who are well acquainted with Mrs. Mary Clement Leavitt, of Boston, the accomplished lady speaker who is to address the people of Jacksonville on behalf of the Women's Temperance Union, next Friday, eve April 18th, speak very highly of her. She is a lady of fine intellectual and moral culture; well posted; earnest and yet unassuming in her public addresses and very effective. She appeals more to the reason with logic than to the feelings by emotional exhortations, and yet her powers of pathos and humor are of no mean order. She should be heard by all who desire an intellectual treat and much information.
