

OREGON SENTINEL.

JACKSONVILLE SATURDAY, APRIL 19, 1884.

Carl Schurz is to be commended for his manly and dignified course in refusing to be the beneficiary of the fund partial friends proposed to raise for him.

The New York Herald thinks that the great need to the Democratic party is a leader. Mr. Watterson thinks its great want is some sort of principle to fight for.

Idaho's delegate in Congress has introduced a bill which is a novelty in its way. The bill provides that on entering public domain through the United States land offices in that territory parties subscribe to an oath that in no way are they adherents to the cause of polygamy.

Cincinnati has had a hundred murders in thirty years, and only one hanging. This was the cause of her recent riot, in which one hundred lives were lost as a blood offering for blood.

The woman suffrage convention held in Washington a few days ago evidently impressed our gallant senators with the imminent danger of longer delaying compliance with their demand for the privilege of voting.

Ex-Gov. John P. St. John, of Kansas, says that if the national republican convention does not put a prohibition plank in its platform it will lose a million votes.

The question which now more than any other is agitating the public in this section is that of District Judge. Upon the faithful discharge of the important duties of that officer greatly depends the social and financial interests of the country.

Since Bro. Leeds has broken loose "on the painted boat on a painted sea business and shown himself capable of wielding a facile and forcible pen it would not be out of place for him to come down to something practical and indite an essay on the unpredicted freshness and vigor of Ashland modesty.

We understand that that classic little village, aforesaid too modest to tolerate anything but Ashland water straight, but now prostrate and in the helpless toils that frittered away the liberties of Belshazzar's capital is after the savory flesh-pots of Egypt with an energy altogether commendable if it were tempered with but a jot of judgment.

Come out Bro. Nickell; the old ship is about to be captured. Won't some one help us choke 'em off! Let's see: Dist. Atty.—Representative—County Judge—Sheriff—School Supt.—Commissioner and advices not all in yet. Je whillicans! Why don't you fellows say there's nothing small about us, and take the whole package and be done with it. Just how Butte Creek, Sam's Valley, Grant's Pass, Applegate and the balance of the county will swallow this programme remains to be seen.

We look for an unusual amount of lofty spiking in the Democratic convention, and if some of our Ashland friends don't go overboard, body, boots and breeches we shall be surprised.

Who Won?

Last Saturday the harmonious (?) elements, composing the Democratic party, met for the final combat. The party that had been defeated the Saturday before, led by Brother Nickell, who aspires to be a leader, but with an eye to his own personal interests, in rallying round him the rural element, believing that the stronger, reserving the right however to name candidates, carried the day last Saturday.

Interesting To Farmers.

ROCK POINT, Jackson Co., Or., Jan. 26th, 1884. D. M. Osborne & Co., Portland, Oregon: Gentlemen.—I bought one of the Osborne No. 11 Twine Binding Harvesters for the harvest of 1883, and I take pleasure in recommending it to all farmers, for it gives perfect satisfaction in cutting and elevating the grain, and in binding it. It is the "boss." The more I use it the better I like it. The expense of harvesting with the Osborne No. 11 is less than heading or reaping.

ASHLAND, Or., Jan. 25, 1884. D. M. Osborne & Co. I bought one of your No. 8 Independent self-rake Reapers this last harvest. It did the best of work I ever saw done with any reaper. I cut some green oats hay, which was the heaviest work I ever saw done with a reaper. I raked off bunches that would weigh a hundred pounds.

WARRANTY. "All our machines are warranted to be well built, of good material, and capable of cutting, if properly managed, from ten to fifteen acres per day. If, on starting a machine, it should in any way prove defective, and not work well, the purchaser shall give prompt notice to the agent of whom he purchased it, and D. M. Osborne & Co., Portland Oregon, and allow time for a person to be sent to put it in order. If it cannot then be made to do good work, the defective part will be replaced or the machine shall immediately be returned to the agent from whom it was purchased, at his place of business, and the payment of money or notes returned. Keeping the machine during harvest, whether kept in use or not, without giving notice as above, shall be deemed conclusive evidence that the machine fills the warranty." Surrender of notes or cash shall be deemed full satisfaction to party of the second part for all damages.

F. HUBBARD, Osborne, agent for Jacksonville, Medford, Rock Point and Grant's Pass, will sell this year, the 7 ft. Harvester and Twine Binder for \$250 here. The Boss Machine will cut nicely wherever a plow can run; also, mowers for \$90. Miller & Co., Ashland, are also agents for Osborne machines.

THINK OF IT NOW! Although much is said about the importance of a blood-purifying medicine, it may be possible that the subject has never seriously claimed your attention. Think of it now! Almost every person has some form of scrofulous poison latent in his veins. When this develops in Scrofulous Sores, Ulcers, or Eruptions, or in the form of Rheumatism or Organic Diseases, the suffering that ensues is terrible. Hence the gratitude of those who discover, as thousands yearly do, that Ayer's Sarsaparilla will thoroughly eradicate this evil from the system. As well expect life without air, as without pure blood. Cleanse the blood with AYER'S SARSAPARILLA. PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists; \$1, six bottles \$5.
