EDITOR SENTINEL:-Last week's 'lidings" contained a letter from Jacksonville charging me with arrest ing John S. Lacy for hurrahing for Jacobs. Allow me to say that the writer is a liar. I arrested Lacy for violating an ordinance of this town by using vulgar and obscene language on the street in the presence of respect able ladies and children who were passing. If the President were to come here and forget common decency as John S. Lacy did I would serve him as Lacy was served or any other man no matter what his locality or politics.

If people don't think that's what I was elected Marshal for let them try it Yours truly, J. P. MCDANIEL.
