THE CIRCUS.—Denby & Co.'s circus performed at Lakeport Tuesday evening, and although the admission was a dollar, there were as many people in the tent as could be comfortably seated. Contrary to what previous exhibitions had led people to expect, the show was a good one throughout. The members of the company are the best behaved, best dressed, and in many ways the most capable set of circus performers we have seen for many years, while for variety and excellence the performance itself was squarely and fairly up to the promises made for it.—Kelseyville Journal, May 22.

THE DISTRICT SCHOOL.—The school directors of this district have perfected arrangements with a corps of teachers to take charge immediately after the Summer vacation. The following are the teachers and the departments for which they are engaged: First Department, G. H. Watt of Detroit, Minn.; Senior, William Priest of Kaukauna, Wis.; Junior, Miss Dorris of Eugene city; primary, Miss Hattie Newbury. The salary of the principal has been placed at \$1,200 per annum; that of the teacher of the second department at \$80 a month; while the ladies will receive \$60 and \$45 per month respectively. All of the teachers come highly recommended and we hope the school under the new management will be kept up to the standard it attained under the management of Prof. Merritt. If it does this nothing more is asked.

ANOTHER UNFORTUNATE.—On the affidavit of J. F. Earl and L. M. Perkins, in which they complained of the troublesome actions of one Francis Patrino in the vicinity of Comstock's station, indicative of insanity, a warrant was issued for his arrest, in pursuance of which warrant Sheriff Taylor started after him and brought him to Roseburg Sunday evening, and Monday morning he was examined by the county judge and a board of physicians as to his insanity and adjudged insane. It seems that he had walked all the way from Jackson county, and had been camping for some days near Comstock, where he made everyone uncomfortable by his noisy and crazy freaks, and although he had nothing to eat he refused any food offered him. He was barefooted and claims to be engaged in building a wall to the sky, which he thinks is already completed beyond the moon, the wall being, according to his notion, a sacred one. He will not, nor, as he imagines, dare not, wear anything on his feet and when he is at work on the wall dare not wear any clothing of this world. He is of Prussian nativity, about 45 years old and physically a very small specimen of humanity. He was taken to the asylum in Salem Tuesday morning by Sheriff Taylor.—Plainsdealer.

The United States is the only nation on the face of the earth that is blessed with a surplus revenue. And yet this is all charged up against the Republican party as an excuse for turning that party out. S. He is the man who some weeks ago deposited \$2,600 in gold in the safe of the American hotel over night and when he called for his money found it had been taken by the hotel keeper, who has since been convicted of the robbery. Failing to recover the money, Smith became insane and killed himself.

The apple crop of Oregon will be up to the old standard this season judging from the present outlook. The trees are bending their burden all over the State, and the fruit will be as perfect as it is possible for nature to grow. The prospects for good markets in the Territories is all the orchardists could desire, and there will no longer be excuse for leaving fruit to rot on the ground or to be fed to hogs as in years past.

At a dance held at Bly, Sprague river, the night of the Fourth, a bucolic husband, suffering from the prodigies of that green-eyed monster, jealousy, went on the warpath and shook his gun in the face of everyone that he could get within forty feet of. There was a grand stampede made by the merry dancers, tables and chairs were upset, one or two shots were fired, nobody hurt, and all is now quiet on the Potomac.—"Examiner."

YAKUINA BAY.—This thriving settlement will now put on more airs than ever, it is likely, because the river and harbor bill has passed both houses, and the bay improvements have received an additional \$50,000 to continue them during the year. Work on the Oregon Pacific is being continued at a lively rate and will soon result in opening rail connection with the Willamette river. Grading at present is completed several miles above Toledo and most of the Chinese are at work near Elk City. The track is laid several miles above Oysterville. The new steamer Yakuina landed a large lot of supplies there from Portland this week and over 150 Chinese laborers, so the work will be pushed ahead more rapidly than ever.

Substantial Constipation Is a prolific source of misery and many ills, giving rise to Headache, Dullness, Fevers, Nervousness, Restlessness, Biliousness, Indigestion, Poisoning of Blood, etc. The bitter, nauseous Liver medicines, pills, salts and draughts formerly used to relieve the sufferer, only aggravate the disease and sicken the stomach. All who are afflicted in that way, know the importance of the remedy pleasant to the palate, harmless in its nature, and truly beneficial in its action. The trial bottles of Syrup of Figs given away free of charge by our enterprising druggists Merritt & Robinson of Jacksonville prove that it is all that can be desired. Large bottles at fifty cents or one dollar.

A CLEAR HEAD. "One year ago I was induced to try AYER'S PILLS as a remedy for Indigestion, Constipation, and Headache, from which I had long been a great sufferer. Commencing with a dose of five Pills, I found this action easy, and obtained prompt relief. In continuing their use, a single Pill taken after dinner, daily, has been all the medicine I have required. AYER'S PILLS have kept my system regular and my head clear, and benefited me more than all the medicines ever before tried. Every person similarly afflicted should know their value. 102 State St., Chicago, June 6, 1882. M. V. WATSON.

Words Fail. "Words fail to express my gratitude," says Mr. SELBY CARTER, of Nashville, Tenn., "for the benefits derived from Ayer's Sarsaparilla. Having been afflicted all my life with Scrofula, my system seemed saturated with it. It came out in Blisters, Ulcers, and Miliary Sores, all over my body." Mr. Carter states that he was entirely cured by the use of AYER'S SARSAPARILLA, and since discontinuing its use, eight months ago, he has had no return of the scrofulous symptoms. All baneful infections of the blood are promptly removed by this unequalled alternative.

Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists.
