

NOTICE.—All indebted to Dennis & Morgan for pumps will please call at Caro Brother's store at Phoenix and settle.

QUARTERLY MEETING.—The fourth quarterly meeting for Jacksonville and Ashland has been postponed until the 26th and 27th of July. It will be held in the M. E. Church in Jacksonville Rev. I. D. Driver, P. E., will preside. Services will be held Saturday, 26th, at 11 A. M. and in the evening also on Sunday 27th at 11 A. M.

ROBBERY.—One week ago last Friday night the store of R. H. Brown at Eagle Point was entered by burglars and the till robbed of about \$50 in silver and a pistol. The proprietor was absent at the time and no clue has yet been found of the thief. The entrance was effected through a window, the robber taking out a pane of glass.

NEW LODGE I. O. O. F.—The following officers were elected and installed for the new lodge of Odd Fellows at Grant's Pass by District Deputy Helman: Dr. W. H. Panzang, N. G.; J. K. Pigney, V. G.; D. Conway, R. S.; C. D. Sexton, P. S.; R. R. Morris, Treas. The lodge starts out with fair prospects and has already initiated several new members.

WILL BUILD.—The piece of land in the burnt district on California street, commonly known as the Howard lot, was bought by K. Kubli this week for \$550 and the new owner will build a fine brick store building on the ground at once. There was considerable strife among several to get possession of this property and at one time it looked as if the matter would have to be settled in the courts.

NEW PAPER.—Wm. T. Moore of this place and Fred. P. Cronmiller of Roseburg have formed a partnership and will commence the publication of a Democratic newspaper at Roseburg about September 1st, to be called the Roseburg Record. Both are steady and industrious young men and we would be glad to hear of their establishing a thriving business. They are on the wrong side of the house however, but we wish them the greatest success nevertheless.

PAID DEARLY.—Two festive claps from the upper end of the valley who had taken on too much beer while visiting Jacksonville last Sunday, fired several shots as they were driving through the streets on Sunday last. Warrants for their arrest were gotten out and both parties were tried before Justice Foudry last Tuesday and fined \$12 and \$24 respectively. They will not be apt to try this over again soon and as they both felt ashamed of their conduct we will not publish their names this time.

MORE DEVILITY.—We reported a short time since that some parties were picking off flowers and destroying plants in our cemetery, and in some cases even going so far as to deface the monuments or headstones over the graves. The item we published, together with the action of Sexton Dunslop in offering a reward of \$25 for the arrest and conviction of the guilty parties, had the effect of stopping this low-down work for awhile, but within the last week work has been commenced again and carried even farther than before on certain graves. The guilty parties may think there is no danger of getting caught, but should they be detected they had better protect their poor miserable necks if the parties get hold of them whose friends and relatives graves are thus being desecrated. A strict watch should be kept and the guilty parties caught.

THE REPUBLICAN CAMPAIGN.—Mr. Joseph Simon chairman of the Republican state central committee, said to an "Oregonian" reporter that the committee had decided to open the presidential campaign about September 1. Some were in favor of commencing it earlier, but the majority thought it better to wait until the busiest season with farmers was over. It is proposed to start in hot and keep enthusiasm at the boiling point until election day. Senator Dolph, ex-Senator Geo. H. Williams, Congressman George, Hon. Richard Williams, Hon. Rufus Mallory and others of this city have expressed willingness to stump the state, and every Republican speaker in Oregon will be invited to take part in the campaign, which will be the warmest ever known here. The campaign will close in this city Monday night, November 3. Mr. Simon expresses the opinion that Blaine and Logan will have 10000 larger majority than Hermann had for Congress last June.

RELIGIOUS.—The fourth quarterly meeting for the M. E. Church for Jacksonville and Ashland will be held at this place to-day and Sunday, Rev. I. D. Driver officiating. He will also preach in Ashland Sunday evening. . . . Regu ar services at the Catholic Church in this place. Rev. F. X. Baueh officiating. . . . Elder M. Peterson preaches at Medford Sunday morning and afternoon. On the first Sunday in August he will officiate at a basket meeting on Rogue River, a short distance below Blyden's ferry, and on the following Sunday will conduct services at the basket meeting to be held at the mouth of Thompson creek. . . . A protracted basket meeting will be held on the camp ground on Williams creek, to commence on the 1st day of August. Services by Reverends R. C. Oglesby and D. M. Rice. . . . There will be services at St. Francis' church, Eagle Point, on Sunday, Aug. 4th, by Rev. F. X. Baueh. . . . Rev. J. A. Slover will preach at Central Point this afternoon, at 2 o'clock P. M.; also on Sunday morning at eleven.

While H. O. The Show. DENBY and GO'S CIRCUS—SOME OF THE ATTRACTIONS. This entertainment, which was exhibited here this afternoon, was one of the best of the kind ever known in this city. Leo and Beator, trapeze and horizontal bar performers cannot be equalled. Mr. William Organ, with his troupe of trained Patagonian horses astonished everyone. These horses are wild from the plains. Mr. Organ is said to be one of the finest horse trainers in the world.

The strangest people ever seen are Master George Robinson, the Canadian giant boy, a mere youth, aged 17 years. He stands seven feet four inches in height, and is certainly a wonder; the tallest boy on earth. Captain McIntosh, the tattooed man from Yesso, Japan, was tattooed by the natives. He is a complete mass of tattooing from head to foot, and a strange specimen of humanity. You see all these truly great artists and strange people under the one canvas, and all appear in the same ring.

They show again to night, when we expect their tent crowded. —"Valley Chronicle," May 12th.

THINK OF IT NOW! Although much is said about the importance of blood-purifying medicine, it may be possible that the subject has never seriously claimed your attention. Think of it now! Almost every person has some form of secret poison lurking in his veins. When this develops in Scrofulous Sores, Eruptions, or Eruptions, or in the form of Rheumatism, or Organic Diseases, the suffering that ensues is terrible. Hence the gratitude of those who discover, as thousands yearly do, that

Ayer's Sarsaparilla will thoroughly eradicate this evil from the system. As well expect life without air, as health without pure blood. Cleanse the blood with AYER'S SARSAPARILLA. PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists; 50, six bottles for \$1.
