

OREGON SENTINEL.

JACKSONVILLE

SATURDAY, OCTOBER 4, 1884.

NOTICE.—All indebted to Dennis & Morgan for pumps will please call at Caro Brother's store at Phoenix and settle. DENNIS & MORGAN.

WANTED.—A teacher for the Phoenix school, to commence 1st of Oct. 1884. Apply at once to Ed. Morgan, Phoenix. GEO. KAHLER, Clerk.

LOST.—Somewhere between Jacksonville and M. Bellinger's farm a pocket-book belonging to Wm. Linn. The finder will please return it to the owner or leave it at this office.

PUBLIC SPEAKING.—Senator J. N. Dolph will address the people of Jacksonville on the political issues of the day October 10th at 7:30 p. m. Mr. Dolph is a very forcible and logical speaker and every one should turn out to hear him. The speaking will be at Holt's Hall.

WILL OPEN AGAIN.—The Lavenburg Hotel at Phoenix will open out for business again next week after a suspension of several months. This house has always had the reputation of furnishing the best meal in Oregon and the traveling public will be pleased to hear of its opening again.

NOTICE.—Leave your money at home by patronizing local enterprise. You can get better and cheaper marblework by calling on J. C. Whipp of this place than by sending off for it. He has a first-class marble cutter in his employ and is turning out a large number of tombstones and monuments.

A PROPOSITION.—We will renew our proposition of four years ago when Garfield was elected and will agree to send the SENTINEL free to any new subscriber for one year if Cleveland is elected President. Should Blaine be elected it will only cost the usual price of \$2.50 per year. Send a copy to your friends.

IN THE WRONG P.W.—According to the Portland "Mercury" some of the Ashland boys made a bad mistake while there attending the great Blaine and Logan demonstration. The story says that the crowd started for the Trivoli theatre but landed in a different kind of a place. A glance at the crowd of visitors disclosed some that were not "boys."

LIVELY RUNAWAY.—The horse attached to Karowski's delivery wagon took a notion to have a spin on his own account on Monday last and in running down street he collided with Sargent Dunlap's cart, taking a wheel off that vehicle but doing no injury to the wagon to which the horse was hitched. Another recommendation for the good quality of the wagons kept by Karowski.

OBITUARY.—Mike Ryder, Sheriff of Josephine county, died at his home in Kerbyville on September 25th after an illness of only a few days. Mr. Ryder was one of the earliest pioneers of this country and his genial habits made him friends with all he met, and a very large procession followed his remains to the grave on the following day. The County Commissioners Court have appointed Abe Hervey to fill the vacancy in the Sheriff's office. Mr. Hervey is a Democrat and those who know him say he is well qualified to fill the position.

A GENEROUS ACT.—Mrs. L. H. Ziegler received a letter from Alex. Martin, who was associated with her late husband in business in Jacksonville in 1853, which contained a check for \$250. This only added another to the many generous and noble acts which characterized the life of Mr. Martin during his long residence with us. Jerry never forgets a friend in time of need and we hope that the sunshine of continued prosperity may ever brighten his life, and fortune shower her choicest favors on him in the future as in the past.

NOBBY CLOTHING STORE.—Ashland Oregon is the place for every man and boy, old or young, to buy their Fall and Winter clothing and furnishing goods because you can buy better goods for your money and you will live long and prosper, but if you go and pay the old fashioned price for goods and then get shoddy clothing you are liable to swear because you are cheated, catch cold because the goods are shoddy and will not keep you warm, and then die, and then what will become of you. Go to the Nobby Clothing Store by all means, take no such chances! Tailor shop in connection. So you can get anything you want in the clothing line.

RELIGIOUS ITEMS.—Rev. R. C. Oglesby will preach his farewell sermons in this place, at the M. E. Church, next Sunday, morning and evening. Rev. F. X. Blanchet will hold services at St. Francis' church, Eagle Point, Sunday morning at 11 o'clock. Rev. J. A. Slover commenced a meeting at Macedonia school house in Josephine county Thursday, which will continue over Sunday. Elder M. Peterson will hold services at Mound school house next Sunday at 11 o'clock a. m., and at Eagle Point in the evening; Saturday evening before the second Sunday in October at the Missouri Flat school house and at the Murphy creek school house in Josephine county the following day. We acknowledge pleasant calls this week from A. F. Wheeler, Assistant State Treasurer, and Frank E. Hodgkins, Assistant Secretary of State. They had been on a trip of recreation and pleasure to the Coos Bay country and then extended their jaunt to Ashland, returning home on Wednesday last. Habitual Constipation Is a prolific source of misery and many ills, giving rise to Headache, Dullness, Fevers, Nervousness, Restlessness, Biliousness, Indigestion, Poisoning of Blood, etc. The bitter, nauseous Liver medicines, pills, salts and draughts formerly used to relieve the sufferer, only aggravate the disease and sicken the stomach. All who are afflicted in that way, know the importance of the remedy pleasant to the palate, harmless in its nature, and truly beneficial in its action. The trial bottles of Syrup of Figs given away free of charge by our enterprising druggists Merritt & Robinson of Jacksonville prove that it is all that can be desired. Large bottles at fifty cents or one dollar.

Baptist Association.

ASHLAND, Sept. 27, 1884. To the Editor of the SENTINEL: Having been chosen to write up the meetings of the Rogue River Association, I send you the following notes for publication:

The Association met with the Wagner creek Baptist church on Friday Sept. 18th at 9:30 a. m., was called to order by the moderator, Deacon Horace Root, and after devotional exercises the introductory sermon was preached by Eld. J. A. Slover. He chose for his text, Acts 24:14, 15 and 16. The discourse was well prepared and suitable for the occasion.

The former officers were re-elected, viz: Deacon H. Root, moderator, and W. T. Leever, clerk. Letters from the churches were next called for and responded to by Table Rock, Mt. Salem, Wagner creek, Ashland and New Hope. The letters indicated but little growth of the churches since our last year's meeting.

Rev. J. C. Baker of Salem, our general superintendent of missions on the North Pacific coast, and representing the American Baptist Home Mission Society, was present as a visitor, also that father in Israel, Rev. S. E. Stevens of Washington territory. These brethren preached for us and otherwise aided us by their wise counsel.

Reports from committees on Temperance, Sunday Schools, Religious Literature, Home and Foreign Missions were read and discussed with considerable interest. The report of the executive committee recommended the appointment of another missionary in this field, to labor in connection with Rev. A. M. Russell of Ashland. Rev. J. A. Slover was chosen to fill the place and the field was divided, giving to Elder Slover the northern department and to Rev. Russell the southern. This embraces Josephine and Jackson counties. From our superintendent of missions we have the assurance that the appointment and the approval of the H. M. board of the N. P. C. consequently we hope to soon have Bro. Slover actively engaged in the work.

The place of holding our next meeting is Mt. Salem church, on Applegate, and the writer was elected to preach the introductory sermon.

The Association adjourned on Saturday, but we had two other services on the Sabbath. Rev. Dr. Baker preached on both occasions. His discourse in the morning on "Living" was philosophical, practical and interesting. In the evening our correspondent was not present. Good congregations were present at all these meetings, and we trust that good was done for the Master's cause.

The meeting as a whole was harmonious, and we enter upon the work of a new year with renewed zest. A. M. RUSSELL.
