A SURE CURE FOUND AT LAST!

JACKSONVILLE OREGON, NOVEMBER 29 1884.

NO ONE NEED SUFFER! Though I aint so awfut, old neither, A sure Cure for Blind, Bleeding, Itching A sure Cure for Blind, Bleeding, Itching and Ulcerated Piles has been discovered by Dr. William, (an Indian Remedy,) called Dr. William's Indian Ointment. A single box has cured the worst chronic cases of 25 or 30 years standing. No one need suffer five minutes after applying this wonderful sything medicine. Lotions instruments of telectuaries do more harm than good, William's Ointment absorbs the innora, alloys the intense itching. I'm glad the campaign's over, Them C eveland fellers looked droopy to-What? Mebbe the'll beat him-Blaine? the tumor, allays the intense itching perticularly at might after getting warm Mobbe this milk is water, in bod) acts as a poultice, gives instant relief, and is prepared only for Piles, tich-ing of the private parts, and for nothing No, ye can't skeer me a talkin'.

I'd bet on that this minit; Read what the Hon. J. M. Coffinberry of t leveland stys about Dr. William's In-dian Pile Ointment: I have used scores of Pile Cures, and it affords me pleasur Doubtful if Blaine's elected; to say that I have never found anything which gave such immediate and perma-nent relief as Dr. William's Indian Oint-Demycrat ways o' doing, For sale by all druggists or mailed or

Blaine's Views on His Defeat. NEW YORK, Nov. 14-The World

prints this merning the following special from Augusta, Maine: Emmons He has a large spring which helps to Blaine, who is now in New York, had feed the four ponds which hold the a long conversation with a lady there, finny tribe, which with the water of just before he left, in which he comthe creek gives an abundant supply pletely unbosomed himself as to the throughout the year. There are some views his father takes of his defeat. ten acres covered by these pouds. This lady in turn tells the story to me, Natural depressions of the surface of and I betray no confidence in giving the land made only a little labor need the substance of it. According to essary to contine the water for these Emmons Blaine, the elder Blaine ponds, which are from four to six feet thinks he would have earried New in depth. Mr. Leslie started three York by a large majority, and been years ago with eleven fish, adding six elected, if the election had taken more soon after, making seventeen in place a week before it did. He now all. The first year an accident to a regrets, above all things, that he sluice let a large number of young fish stopped in New York on his return out into the Willamette, but by actual from the west, for it was there, during count made while transferring the fish the last week of the campaign, that through a sluice there were found to the two fatal blunders were committed be 16,500 this spring. The fish are which would not have been committed fed grain from the brewery, boiled if he had been elsewhere. The first potatoes, and in fact any refuse such | was the elebrated lapsus of Dr Burchas would be fed to a pig. Mr. Leslie and, and the second the Delmonico comes to Salem twice a week with his dinner. When Blaine heard that fish; he has a large zinc tank fitted in Gould was to be one of the givers of the back of the wagon bed, in which the Delmenico dinner he protested marketable fish are swimming; a dip against going, not because of any pernet serves the fish alive to customers, sonal dislike to Gould, but salely as a the fish weighing from one peund each matter of expedience; but both William to four, mostly the lesser weight, but Walter Phelps and Whitelaw Reid Mr. Leslie expects to give larger fish said he must go; that it would be another year. So far the expense of worth \$1000 for every plate on the this enterprise has been little, the table. Blaine resisted their appeals original fish costing about a dollar and up to the last moment, but they a half apiece. Mr. L. expects to have finally pushed bim into a carriage, ten acres more in pond by next spring, and said there must not be any reand judges from his present success fusal. He was at that famous that he will have an abundant market feast as an unwilling guest, and for all he can produce. The fish is now, since the disaster that followlike shad in the movement, smell and ed, he sees more plainly than ever that bones, the meat is white and delicious. he was right. This is undoubtedly It seems that in this well-watered an authentic version of the rupture country that elmost every farmer that now exists between Blaine and

little morey cost. Any good spring a copy of a letter from Bluine to a would supply water enough, for the distinguished New York Democrat, pond" need not be deep. When one | who wrote to him, expressing the hope lives miles from a market, as most that he (Blaine) was making no atfarmers do, a mess of fresh fish would tempt to influence the count of votes be a good change from the regular in New York. Blaine replied by asking in what possible manner he could influence it, directly or indirectly, and and then added: "In the whole con-Most likely a majority of the old troversy I have no desire except for a settlers of this section have heard of fair count and an honest declaration of Kim Stewart, the Oregon tramp.
