EXAMINED FOR INSANITY.—Jimmy Maguire, an old time resident of this place, but now a resident of Willow Springs precinct was brought to town this week and examined on a charge of insanity. Doctors Aiken and Robinson made the examination and both agreed that Jimmy was sane as the average run of humanity, and even more so than some they had seen. Maguire was discharged in consequence and returned home yesterday.

CLOSE CALL.—Last Sunday morning P. J. Ryan went on top of his new brick building and in coming down the ladder he tripped and fell to the floor below—nearly twenty feet. By the fall he received a severe scalp wound and several other severe bruises, but, according to his nature, he was around next morning superintending the work on the building. It was a close call, however, and Pat says he don't want to try it over again.

NEW DISCOVERY.—Several years ago S. Pymale, while boring an artesian well in the street between the residence of George Schump and Mrs. Dugan struck a quartz lead that showed a very rich prospect. The digging of the well was abandoned, however, and nothing was ever done in the way of trying to find the lead where the gold was taken from until this week when parties were trying to locate the well when they propose sinking a shaft to see what there is in it. They hope to strike the lead by this means and if successful they will carry on the work. We wish them all success in their enterprise.

JURORS.—The County Clerk and Deputy Sheriff N. A. Jacobs week drew the jurors this week for the February term of circuit court, of which the following is a list: M. V. Hurst, Jacob Bowman, George W. Isaacs, J. A. Anderson, C. W. Breback, Jas. Mc Donough, Levi Gartman, S. H. Stephens, Thos. Martin, L. J. C. Duncan, W. F. Brown, Wm. Cameron, R. S. Dunlap, W. W. Erb, Ben. Beall, C. B. Matney, Lyman Chappell, Austin Bish, J. A. Obenchain, August Myer, Jesse Dodge, F. B. Inlow, J. F. Hooker, Wm. Auger, Eli Adams, J. N. Mansfield, S. B. Hull, R. A. Cook, F. J. Martin, John Ashmead, M. Par-din.

RELIGIOUS ITEMS.—Rev. A. R. Bickenbach will fill his usual appointments at Phoenix next Sabbath morning. Beginning next Sunday evening (Jan. 25th) services will be held in the Presbyterian church at this place every evening for two weeks, Saturdays excepted. During the first week Rev. A. R. Bickenbach will take up the "Pilgrims Progress" in course, preparatory to which the sermon on Sunday evening will have special reference to the life of Bayan. Rev. Williams and Milligan conduct the services during the second week. The following are H. C. Fleming's appointments for the ensuing year: At Eagle Point on the second Sunday in each month; at the Mound school house on the third Sunday, and at the Lone Oak school house on the fourth Sunday. Rev. E. Gittins preaches at the M. E. Church in this place Sunday morning and evening. Regular services will be held at the Catholic Church in this place. Rev. F. X. Blanchet officiating. Elder M. Peterson will hold services at Eagle Point Sunday.

AN ALARM.—On Friday the 8th inst. two men from Warner valley, Oregon, while on a drunken spree made a raid on an Indian camp where they got into trouble with the Indians, killing one and badly wounding another. The Indians then met in council, and we understand that they have declared war. This of course has caused some alarm; so much so that the citizens of that community have sent to Fort Bidwell and asked that a company of soldiers be sent to their assistance. A telegram passed through the signal service office at this place last Wednesday morning on its way to headquarters at San Francisco, to know what action should be taken in the premises by those commanding at Fort Bidwell. The answer sent back, was that a company of ten men with an officer be sent to Warner valley, to ascertain the facts in the case. We have been unable to get a true record relative to the causes that brought about the killing etc., but if as above stated we are in favor of giving over to the Indians those two drunken scoundrels, for them to dispose of as best suits them.—"Klamath Star."

Half of the town turned out this week and commenced digging to find where an artesian well was sunk by Back Pymale some thirteen years since. Everybody remembered where it was but after working hard for a few hours they all concluded they were mistaken. A correspondent of the Garman town "Telegraph" says: Fresh, clean hog's lard, rubbed three or four times on any kind of warts on horses or cattle, will remove them in three or four applications. I have removed the warts time after time, and have never been able to find the wart for the fourth application. If I should send the Latin name for lard, and tell men to pay 50 cents to the druggist for two cents worth of good lard, this remedy would be oftener used.

The author of the biographical sketches of Oregon legislators published recently by the "Statesman," is a historian, but evidently wants it distinctly understood that he is not prophetic, judging by the following extract from the sketch of Walter Satton, editor of the "Gold Beach Gazette" and member for Coos and Curry counties: " * * * was married in Ellensburg in February, 1877, to a daughter of Adam Schmitt (Levinia A.) of Jacksonville. Result, thus far, four children."

There seems to be a pretty clear and square cut difference of opinion between our County Judge and Dist. Atty. and they are enjoying the pleasure of harpooning each other through the newspapers. It may become necessary for the public press to over-haul the records and if this is done, and the facts published, from what we already know about them, some one will be glad to stand under. Talk is cheap and may prevent or misrepresent facts but the record is a fixture.

The city election will soon be upon us and we see our old-time, wily and energetic friend, Abe Menor, on the ground again ready to take the field at any moment. He was the brains, energy and management of our temporary fight against the town and its interests at the last election and they will probably pool their resources and make common cause again. It is possible that the "duplicating innkeeper" can't get along without a "head-light" in so small an affair as a town election!

We still keep a full stock of hardware, stoves, tinware, wagons, plows, harrows, paints, oils, and everything pertaining to our business. We change our prices from time to time, making them conform with present times—cutting profits down so small that no one can do so well by sending away for goods as by patronizing us. Call and see us. BILGER & MANLY.

NOBLY CLOTHING STORE.—Ashland Oregon is the place for every man, boy, old or young, to buy their Fall and Winter clothing and furnishing goods because you can buy better goods for your money and you will live long and prosper, but if you go and pay the old fashioned prices for goods and then get shoddy clothing you are liable to swear because you are cheated, catch cold because the goods are shoddy and will not keep you warm, and then die, and then what will become of you. Go to the Nobly Clothing Store by all means, take no such chances! Tailor shop in connection. So you can get anything you want in the clothing line.
