Eriscopal Service - Bishon Morris and the Rev. John W. Sellwood will hold service in the Presbyterian church in this place to morrow morning at 11 nd administer the Hely communion. They will held service in the evening f the same day in Byar's Hall at

No FAILURE YET .- While mean dering around yesterday afternoon we dropped into C. C. Beekman's express office when we seen him put up a pack age of 25 pounds of gold dust, the re-sult of the week's purchases from the miners living near by. The mining season has been an exceedingly poor ut this showing proves that we have end paying ground if we only get ater to work it.

Good Assay.—The owners of the Enterprise mine, located in the upper end of tewn, sent some et their rech to Portland this week for away and the answer is that it goes \$50.25 in gold with traces of silver. To bring matters into shape an incorporation will be formed composed of the follow-ing gentleman: J. G. Birdsey, J. Nunan, Wm. Hanley, J. A. Cardwell, and I. W. Thomas. It is the intention of the company to continue the work right along and they now feel confident that they have struck a be-

THE RACES .- Four days' races were held at Medford this week commence ing Tuesday and ending last night onsiderable of a crowd was present but very little money changed hands. en by "Jim Lick," beating "Ketchrace on the second de between C.," "Peggy Winters" and "Col. R., which was wen by the former with Col. R." a good second. On Thurs day there were two entries for the hall mile and repeat race, "Dollie C." and the Neberker mare. The first heat was declared a dead heat, causing much disentisfaction, when the Neber ker mare was wathdrawn and "Dellie galleped around the second time and was given the race without furth r contact The last day's races was between "Jim Lick" and "Peggy "Winters," the latter getting shut out on the first heat.

OREGON FARES AND PRESENTS. dee Deady has delivered an opinion the United States Circuit Court, prenouncing the Hoult Railway bill constitutional in two essential pointsviz: That passenger farer shall not be

Fre than 4 cents a mile, and freight the visitors at Tucker's seds springs. 1. 1885, and that there shall be no discrimination. This opinion was brought out by R. Koehler, receiver of the Oregon and California road, appointed by Judge Deady, asking that he be instructed how to proceed under the new law, which goes into effect on the 20th inst. The law pro vides that rates shall never be less for long distances than for shorter dis lances. Judge Deady, however, in structed the receiver to make such rates at competing river points as wil get the company a fare share of busi-

SCHOOL COURTESIES .- Prof. Watt, hey spent the day at the camp ground Bybee's ferry on Regue river and had a splendid time, and a nice nek. Today, Prof. Priest of the mmar department is being enter-med by his pupils at a picnic at the ame place. Although Prof's. Watt and Priest have only been in the school choel year, their government is per The whole ect, and they also enjey the entire rood will and esteem of their pupils; and the roundt is, the most satisfactory rogress of the scholars in the various ertments as indicated by the enthly examinations. WANTED. -A position by a man and offe to take charge of a hotel in any ortion of Jackson county. Long exsee is their recommendation and good references can be given if required. Call on or address Shuttent office, Japkesnville, Oregon.

INVERNORMENT OF PATENT -A DOW hydraulic process for clearing or widening bars and channe's in harbors was entented by J. H. Huffer of this place some two years age but as the inventor has so far failed in getting men of cap Mining and Scientific Press" of San Francisco we saw a long article descriptive of an invention made by a General Stene, patented one year later han Mr. Huffer's, which corresponds a every way with the model and spec made by our fellow towns nan. The article states that a thorough test has been made of the invention and the city of New York has given General Stone a contract to clear the channel near Governor's Island, for which he is to receive \$180,000. Proceedings for an inunation are now under way and Huffer's chances of becoming a millenare are away above the average.

CENTRAL POINT SIDE TRACK .- W. last week published what were reported to be the facts in regard to the Central Point side track and it seems that our conclusions in the main were correct, excepting that its failure to become a law was not the fault of Governor Moody. While some one must be mistaken in the matter the fellowing letter from R. P. Earhart, Secretary of State, is self explanatory and shows the record on file:

SALEM, Or., May 3, 1885 ED. SENTINEL:-House bill No. 190 stroduced by Mr. Beall of Jackson. being a bill for an act to faciliate the ansportation of freight etc. failed to ass the House. The record of the louse shows that it was "ordered en grossed and read a third time to-morrow" and there it appears to have stopped. There is no evidence that the bill ever reached the Senate.

Yours very truly, R. P. EARHART.

CARD OF THANKS .- Jacksonville Lodge No. 10, I. O. O. F., hereby ten res its heart felt thanks to the ora ters, musicians and all others who so kindly contributed their time and services towards making the colebraion of the 66th anniversary of our order the success it proved; and special for your money and you will live long thanks are also extended to the ladies of Ruth Rebekah Degree ledge for the magnificent and bountiful supper farnished on the eccasion. By order of the lodge. R. S. Meore, N. G. A. H. Maggly, Rec. Seey.

Jacksonville, Oga., May 2nd, 1885.

CHANGED HANDS .- Mr. and Mrs. R . Blackwood have sold the Soda chances! Tailer shep in connection. Springs Hotel, together with 222 So you can get anything you want is across of land of the Celwell ranch to the clothing line. Jacob Wagner, consideration, \$6,000 Phese soda springs, already a popular local resert, are every year attracting more visitors from a distance, sar tourists who have been at the many famous springs in California and other tates presented the water here preerable in many respects, both as to taste and effects, superior to any they have ever tried.—"Tidings."

BOARD APPOINTED .- The following gentlemen have been appointed a county beard of immigration by the County Commissioners and we under stand that they will also make an ap-prepriation for this purpose before they adjourn: J. B. Wrisley of Manzanita, M. Peterson of Mound district Geo. E. McConnell of Ashland, J. H. Griffie of Gold Hill, B. P. Pickens Table Rock, Thes. Haymend of Wood ville, G. F. Pennebaker of Wagner ereck, A. J. Daley of Eagle Point, R. F. Maury of Manzanica.

Nor GUILTY .- Gus. Martin . Table Rock was arrested the other day on complaint of Fred Manson charges with the crime of threatening the latter's life. After an examination before Justice Foudray that official turned Martin loore, there being no evidence to convict, and the centref kinds and a general assortment of shelf the case were assessed against the complaining witness.
