OREGON SENTINEL

JACKSONULLET SATURDAY, AUGUST 15, 1885.

Bines WANTED .- The undersigned will pay the highest cash price for bear skins and all other kinds of furs, deer skins, etc. Call around before selling. THOS. J. KENNEY. *

INFORTANT .- All Justices of the Peace in this county are notified that they can get a copy of the last session laws by calling on County Clerk Park-er and fling their receipt for the same.

FOR RENT .- Two good store rooms arx office rooms and one good photo graph gallery, also well lighted and comfortable basement to building suit able for store or restaurant. Enquire of P. J. Ryan.

BOUND OVER .- Two young mer well known have were arrested and tried before Justice Foudray last Saturday on the charge of stealing a cow and defendants were bound over to appear at the next term of court. It is no doubt a case of mistaken identity and we expect the boys to prove their innocence when court convenes.

SERIOUS ACCIDENT .-- One day this circus week while swinging on a heavy farm gate on her father's place on Applegate the little ten year old daughter of John D'Brien had a narrow escape from getting killed by the gate breaking off its hinges and falling on the child. She had a thigh fractured and received revers bruises about the shoulder. Dr. Aiken was summoned and he informs us that she is doing quite well under the circumstances.

FIRE .- The farm house on Antelope creek owned by Claude Hill, a young Englishman who bought the place about three years ago, was burned to the ground last Thursday evening together with all its contents. Mr. Hill went back to England on a visit not long since, renting the place to othe parties whose name we could not find out. The fire is said to have originated from an ash-hopper near the house and the loss amounts to several hundred dollars. No insurance.

CAUSE FOR DIVORCE .- A divorce base is liable to be on the docket nex! term of Court, the parties hailing from Applegate. The facts are that the wife left home the other day to go on a short rusticating trip to the mountains with others leaving her liege lord at home to do his own cooking while she was away. Strange as it may appear an examination disclosed the fact that she had left her husbaud without a stick of stove wood cut, and thinking this good cause he now proposes asking for a divorce and alimony Our informant thinks the prayer should be granted.

Romsson's Cincus - This much talked of circus-ten shows combined in one-gave an exhibition at Ashlaud on Saturday August 8th to what was generally estimated as a \$4,000 house: The show consisted of a very fair menagerie, numerous side shows with all kinds of curiosities; a minstrel show were draped in mourning last Saturday and the usual circus performance. in respect to the memory of Gen. They gave only one show at Ashland-in the atterboon-and in the evening they folded their tents and stole silently away, a favor for which the people of this section feel grateful for. as an evening performance would have drawn an a circus. "Don't go to the circus." SUDDEN DEATH .- S. W. W. Sawyer, a prominent resident of Oakland, died uddenly on Thursday night or yesterday morning at the Galindo Hotel. During Thursday evening Mr. Sawyer mentioned to Mr. Wright, the proprietor of the hotel, that he felt unwell and put his hand to his sides. Then he went upstairs to bed. Yesterday morning he did not rise, and at 3 b'clock in the afternoon Mr. Wright entered his rooms.
