ENCOURAGING.—Jackson county is enjoying a sort of a boom at present that will likely make all interested happy. Our placer miners say they have had more water for mining purposes this season than they had in a whole year for several past, and the raising season has just commenced.

The prospect of a quartz mill, to be run for custom work, has induced many to locate and take out rock from the many ledges near town, a number of them proving immensely rich by the tests made. Medford also has reduction works in running order and we learn that several ledges have been tested and found to pay a fair dividend for working. Galice creek will also have a quartz mill before long. Grant's Pass will have a Court House while Ashland has the best woolen mill of the State, their goods having been awarded first premium at the Mechanics' Fair. Our farmers are also happy over the present outlook in regard to large crops, and why shouldn't everybody in Southern Oregon feel the same way?

CHRISTMAS FESTIVITIES.—The M. F. and Presbyterian Sunday Schools will give a public Christmas entertainment at Hall's Hall on Christmas eve, followed by the distribution of presents from a tree on which the public are cordially invited to place presents for their friends. The committee on tree decoration desire that all presents to be placed on the tree be at the hall by 4 P. M. that the tree may be fully arranged before dark. Presents can be brought any time during the day, and the committee will be present to receive and take care of them. As no subscription paper will be circulated a collection will be taken immediately before the distribution of the presents, to pay expense of hall hire, etc. The following programme will be given: 1. Music by the choir, anthem, "Praise Unto Thee For This." 2. Prayer. 3. Recitation, Amelia Muller. 4. Song by the little girls of the M. E. Sunday School. 5. Recitation, George Parker. 6. THE O'NEIL CASE.—The appeal taken to the Supreme Court in this case was decided last Monday and the judgment of the Court below has been affirmed. The prisoner will not be sentenced until the next regular term in January but a death watch has already been placed over him to prevent him from injuring himself or escaping. O'Neil's only chance for a continuance of his lies with the Governor who can commute his sentence to imprisonment in the penitentiary, but that is hardly to be looked for. A first-class necktie party in Jackson county would be something new and novel and when justice demands it the lesson may be of benefit to others and thereby lessen crime in this county.

All the Sage. To captivate the popular taste and surpass all previous efforts to please the palate, requires no small amount of knowledge and no little skill, and when we remember that the very agreeable liquid fruit remedy, Syrup of Figs is as beneficial to the system, as it is acceptable to the stomach, we readily understand why it is the universal favorite as a cure for Habitual Constipation and the other ills arising from a weakness, or inactive condition of the Bowels, Kidneys, Liver and Stomach. Sample bottles free and large bottles for sale by Merritt & Robinson, Jacksonville.

CUTTER'S FINE WHISKIES.—Again we greet our many friends, reminding them that the season of "peace on earth and good will towards men," is rapidly approaching, when prosperity and generosity go hand in hand, and the whole civilized world seeks for those tributes and mementoes which serve to bind closer the friends of fleeting years. After the lull comes the storm; the season of depression is rapidly passing away. The signs of the times indicate a better and more active future, and in anticipation of an increased demand for fine whiskies, we will give personal attention to the best of European and Eastern liquors.

We now offer to our patrons the advantage of selecting from these fine whiskies, which we guarantee will not be excelled on the coast. We have in stock, J. F. Cutter, Extra, Old Bourbon, and Argonaut whiskies. Merritt & Robinson has been appointed agent for the celebrated "J. F. Cutter" whisky for this section of Jackson county.
