Live.

The fate of Dion, the billiard player, not take cognizance of dereliction of furnishes another example of the danduty in this respect, there is a higher, ger which attends sudden and radical STARTLING PLOT FOR WHOLESALE holier law, before whose dread tribunal changes of habit late in life. Men they will have to render a rigid at- cannot violate the laws of health with count of the trust placed under their impunity for many years and then expect to "catch ,up" by merely abstsining from their accustomed stimulants. Under such circumstances temperance is likely to be death, whereas if the leparture had been taken earlier it might have been less dangerous. Dion now goes to an insame asylum because the revolution that he has made in his habits has unsettled his mind. Other men might be named, who have died during the past year with great suddenness, and were brought low by an attempt to forego the drinking habit when such a change became in the highest degree perilous. Such cases do not, as some may facetiously aver. argue the unwisdom of men attempting to relieve themselves from the drinking habit, but they do illustrate unmistakably the folly of the idea that after a lifetime of excess the only thing necessary is to stop. Moderation early in life entails no such conacquences. The man who lives to drink during the best part of his life

> It has lately been brought to light by medical experts that Mr. Vander-"Herald" an advertisement announc bilt worked himself to death. What a ing that 50 cents, enclosed to a certain pitiful tale for a man worth in the formation how to save paying railroad had been a country editor, with exfare one way between this city and penses to pay and a growing family to support on a delinquent subscription on visions of dishonest conductors and list, he might have been persuaded to conniving ticket sellers, and he do desist from so straining his faculties as termined on sending fifty cents to the to cause a premature death; but being address, under an assumed name, in worth the paltry sum of two hundred order taget into the secret. By re millions the world will gush sympathy over the untimely fate of his poor man, Tearing it open he read on a plain slip who, forced by cruel and unrelenting of paper: "Why, walk, you d-d necessity, so worked and exercised his brain, that "Death came knocking at the door" twenty years before the
